You're laughter and love.

CONGRATULATIONS

TO KNOW YOU IS TO LOVE YOU . . .

Dana, you've enriched our lives more than words could ever express. We all are very proud of you and we love you with all our hearts! We wish you a lifetime of success, health, wealth, love and everlasting friendship. Always believe in happiness, it isn't an outward thing; The Spring never makes the song, I guess, as much as the song makes the Spring . . . and remember life is mostly froth and bubble, two things stand like stone; kindness in another's trouble, and courage in our own . . .
Love from Mom, Nana, Meny, Chris, Vicky, and kids, your Godmother and Mike, Dad, Gramma Severson and family.

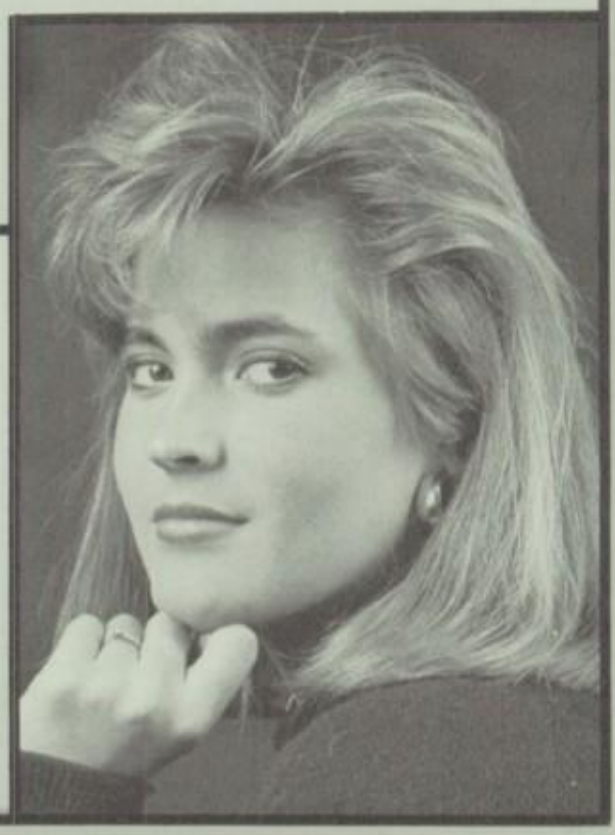
Congratulations Class of 87! You've continued to make me proud. You remain in my prayers. Mr. Ruben Hernandez



Thirteen friends we are today
Together we have shared four years of memorable play.
It all began when we were freshmen,
We met and got to know one another as a friend.
Amy, Ann, and Angie, Julie, Helen, and Candy, yet that's just a few,
We still have Frances, Cindy, and Angela, Mary, Kris, Jacque, and Ana, too.
Even though all 13 of us are different in our own special way,
We have learned to handle it and grow closer each day.
As freshmen and sophomores our life was easy,
We stuck with Birthdays, food, birds at lunch, games, dances, and time spent alone leisurely.
As juniors our life became a bit more complicated with off-campus lunch, parties, and then car keys.
The summer before our senior year was none stop:
Work, the beach, Fran's house, the luau party, guys, Hi five bi . . ., concerts, and limos.
Now we have reached our Senior year.
We have so much to look forward to and so much to fear.
Yet with all thirteen of us together
We made our senior year possibly the best ever.
Sharing special times like:
Halloween, Homecoming, and an undefeated season; Senior Retreat, Christmas dinner, and New Year's Eve;
Next came finals week, Valentine's Day, Boat Float, cheer & drill competitions, Sadies, basketball games, and college acceptances.
All of this leads up to the last months of school.
All thirteen of us getting ready for prom and graduation, too.
As the last few weeks of our senior year come and go,
Flashbacks of our high school days come into show.
Realizing that we all started off in different directions, we all worked towards the same goal.
And now, today, we are thirteen friends together, and we have made our four years of high school the most memorable. -Candy

En nuestro viaje a Mexico! Thanks for the memories. You are all so special to me. I love you! -Cindy

What thought "F" troop which
was once so bright
Be now forever taken from my
sight
Though nothing can bring
back the hour
Of splendor in the grass, and
noise in the class;
I will grieve not, rather find
Strength in what remains
behind;
In the primal sympathy
Which having been must ever
be;
In soothing thoughts that
spring
Out of human suffering;
In the faith that looks
through absence
In years that bring the
philosophic mind.

Good bye "F" troop
(Pardon me, Wordsworth!)

Yvette,

You are our sunshine. You lighten up our life. We are very proud of you, and we wish you the very best in life! May the Lord lead you in the right path

Gina,

It's easy to take things for granted in a family . . . To assume that you just know things that somehow never get said . . . but maybe you don't know how special you are . . . how easy it is to be proud of you.

Maybe you've never guessed how much you're admired for the cool-headed way you think for yourself . . . or for the warmhearted way you think about others.

Maybe you don't know how nice you are to be around . . how your cheerful enthusiasm adds such life to ordinary days.

Maybe you don't realize how much it's always meant to have you for a daughter . . . to see you grow up so beautifully without ever growing away from those who love you.

Well, in case you don't, this is just to let you know what a very dear daughter you are.

Love,
Mom & Dad

A TIME TO BE OPEN

"Hey, hey, hey, the seniors are A-okay . . ." This tune could be heard from the freshmen class all over campus during Welcome Week. The events of Freshmen Initiation made some of the newly arrived students a little hesitant towards their senior sisters. Besides singing, the freshmen donned their uniforms inside out and backwards, and hurriedly handed out candy trying "to please the senior elite."

The Welcome Rally, the Frosh/Senior Lunch, and the Welcome Dance were just a few of the highlighted school activities to end the week just right. Meeting new people, forming lasting friendships, trying out for cheer and athletics, running for Student Council, joining clubs, and studying for final exams are just a few of the other events carried on throughout the year.

This is freshmen year and there is so much to experience. It is a time to be open, to have fun, and to get settled into high school . . . and this is only the beginning. By the way, "How *do* you get to the MPB?"

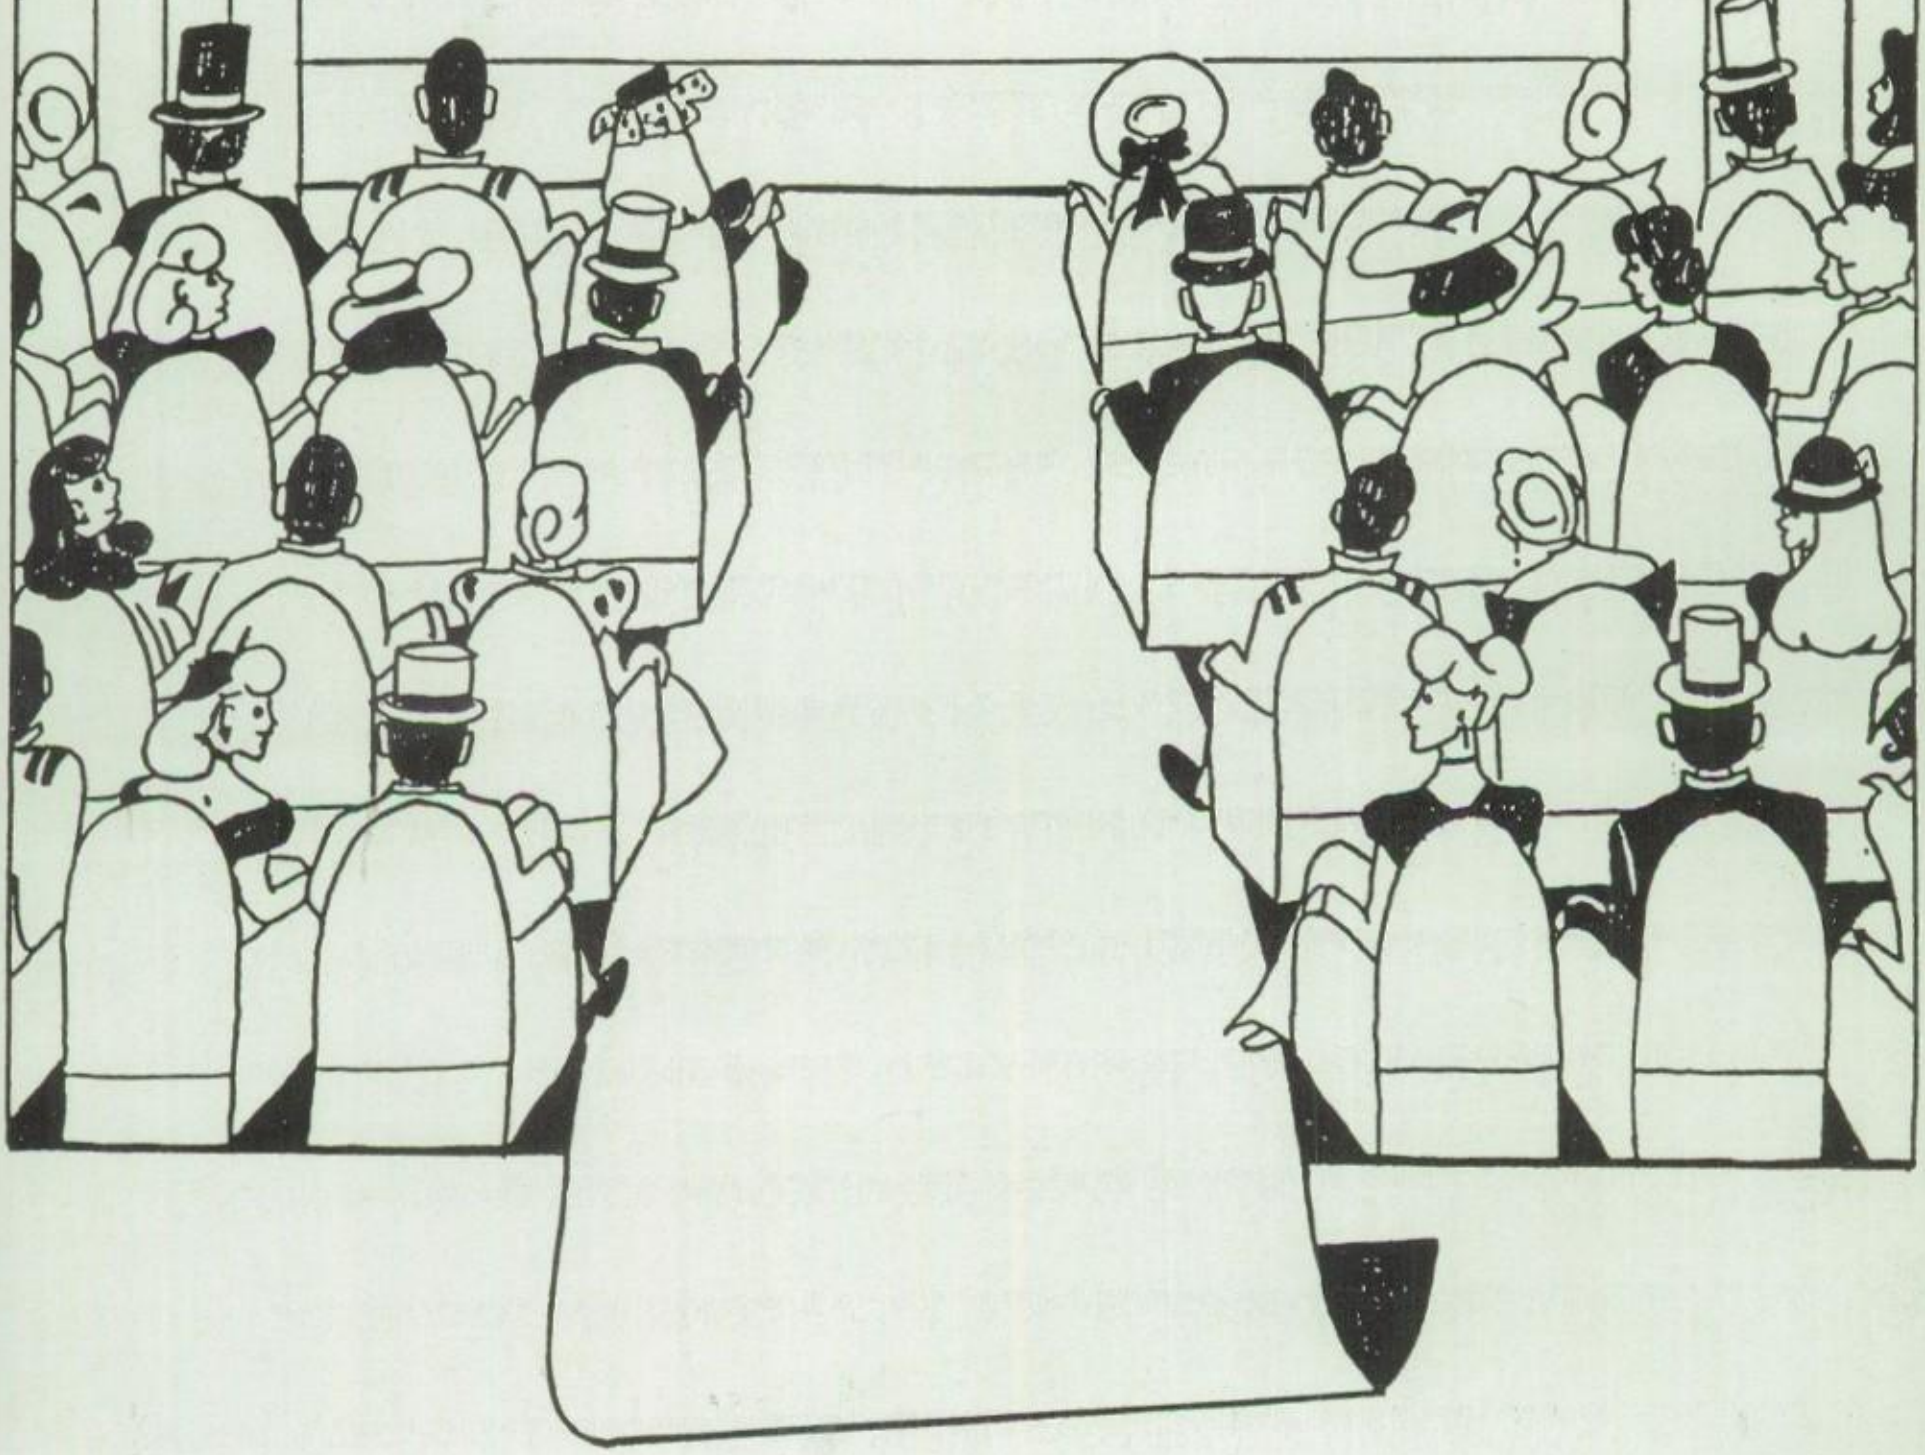
PRESENTING . . .
FRESHMEN



STEPS OF GROWTH

As a Sophomore, a girl goes through many experiences that help her gain a little more independence and maturity. During the ages of fifteen and sixteen, she learns to drive and, possibly, dates a little more often. Even though each Sophomore has her own unique life and lifestyle, she will still go through the same major thrills and disappointments.

Learning to drive is a great step of independence that most Sophomores can't wait to take. Having a car and a license, they find they no longer have to depend on others for transportation. A license, though, is not just handed to a young person, for there are many steps that have to be taken first. Starting with driver's education, Sophomores learn the rules and regulations of the road and then finish with Driver's Training, the on-the-road driving lessons. Finally when the license is obtained, all the hardwork is forgotten and the enjoyment begins.

Turning sixteen for quite a few Sophomores is also a big step. It is not just another birthday but the time when many parents allow their daughters to date more frequently. Always having to tell those gorgeous guys you couldn't go out with them because you weren't sixteen became such a bore. But turning sixteen, things changed and dating those dolls on the weekend became a habit. In consequence, the social life of a Sophomore flourishes and faces her at every step.

STEPPIN' TOGETHER

Caught within time, we see a class striving for its own excellence. No longer children of our school and not quite upperclassmen, the Sophomores seek their own identity. As the dreams and hopes of each individual Sophomore come together as one we encounter a class of unity and achievement. President of the Sophomore class, Cathy Sterner, stated with a gleam in her eye, "Our class since Freshman year has grown extremely close into a family of unity." Remembering their past year will help each one relate to high school life much easier. This knowledge will help each Sophomore focus her time on becoming her own unique self instead of following the footsteps of the Seniors. So in awe the school watches as we find a class of support and spirit stepping together as one.

THE SOPHOMORE BOARD STEPS TOGETHER

A class of unity, spirit, and all-together closeness is what we encounter when watching the sophomore class grow. But what makes this class so close? Why does each student work as one to accomplish class uniqueness and style? The answer seems to be rooted in the Sophomore board. This board is the base of the Sophomore class, the behind-the-scenes support that urges the Sophomores in the positive manner in which they are founded.

The board spent many hours working together for an exciting, well-organized unity night. With the theme "Pooh Bear Goes Italian" we found ourselves floating through the beautiful country of Italy. The night of December 11 was a very memorable evening with the unity flowing out the M.P.B. doors. The class board did an excellent job and deserves much of the credit. Also, the board planned all of the fundraisers, including three bake sales and the famous Spring Fling Dance. The Sophomore board kept extremely busy, and hard work was their motto. They'll be stepping together for a long time, even after they leave St. Joseph's.

The faithful Sophomore board consists of Section teachers, Miss Sue Simons, Miss Carrie McDermott, Mrs Debra Connell, Miss Katherine Beard, and Class Moderators, Miss Wanda Mullikin, (4th from left) and Miss Pink Mioli (last). Section Representatives of the Sophomore class are Heather Choppin, Andrea Spina, Christy Sterner, Dinahmae Martinez, Diane Ikemiyashiro, and Meredith Voss. The very helpful class president is Cathy Sterner. The contributive Vice president is Bonnie Um. The intelligent secretary is Nicole Devereaux and the supportive treasurer is Julie Abutal.

FOREVER

I realized today,
that nothing lasts forever.
Starting freshman year I couldn't wait for
school to end,
but now I hope It will never.

As a freshman, I had few friends,
I belonged to nothing, I was alone.
I felt scared walking through the dark halls,
And seeing those tortureous seniors, all I
could do was moan.

But being a Sophomore, life changed,
I was no longer a child.
The friends I made believed in me,
I was somebody! I was wild!

Now as a Junior life rushes through my soul,
receiving my class ring, I soared with unity.
I owe everything to St. Joseph's love, hope,
and zeal,
Because it believes in me.

Now pondering on my past memories,
I realize my last year will go faster than
them all.
I will not be here forever.
But St. Joseph's will always be there when I
fall.

STEPPING OUT TO LUNCH

Becoming a Junior or upperclassmen is a privilege in itself but there is also the famous once-a-month, out-to-lunch munch. All Juniors await this special moment to dress their best and to eat a gourmet meal. They feel that this event is not just a privilege but a long-awaited moment that announces the Juniors are no longer under classmen.

The first Off Campus was held September 25 and the Juniors really looked their best. They all were dressed in their creative original outfits and each had her own unique style. The Juniors were so proud to be the only students except for the seniors with free dress and a delicious lunch. Many felt that the brown bag filled with mommy's nutritional meals often needed a rest. So the desire for In/N/Out, Penguins, Mc Donalds and Taco Bell become almost a necessity.

Juniors also felt the need for an academic break to socialize about the upcoming weekend which became the main topic as school life was forgotten. But rushing back to school without receiving a detention was a miracle to see. A mass of cars pulled into the parking lot, and finding a parking place became impossible. Even though there was a frantic hurry to make class on time, the trip was worth every minute of it. For both Juniors and Seniors grew closer as they shared good food.

JUNIOR BOARD-THE HEART OF SUCCESS

The Junior class of 88' has been known for great outstanding spirit and an extremely unified class. This showed especially in the Welcome Assembly in September when the Juniors cheered warmly for all the sports teams, cheerleaders, and new teachers announced. The MPB resounded with their spirit! The real heart of such success though, is the Junior board. This helpful, ever faithful board has given long hours and hard work to unite the Junior class. Their concern and support has made this class grow closer and closer each day.

The Junior Ring Ceremony succeeded largely because of the board's long hours to fulfill the high expectations and dreams the Junior class had for this event. When the day was over, everyone knew that the ceremony was not just another day, but one of rememberance for the rest of their lives. One Junior, Kate Hertzog, when asked about the ceremony, said "I knew then, in my heart, that we would all be best friends forever whether close or apart." While participating in the ceremony, all could feel that the Juniors would definitly step out into bigger and better things, for then and always.

WALKING AWAY . . . TOGETHER

Four years ago marked the beginning for our senior class of 1987. Then we were just learning about each other, forming the friendships that would last throughout our high school years. Now, we are secure in our relationships with each other, sharing all of our thoughts and feelings, going out together, and just being there for each other. But, soon, we will be going our separate ways, off to our different colleges. Although this may be the end of our St. Joseph days, in no way will it be the end of the friendships we have started here. We will always carry with us the spirit and unity which have kept our class together as one. And, we will forever remember and cherish the special moments that we have experienced.

IN THE BEGINNING . . .

There you were. A freshman. Frantically trying to open your locker. Once you had some help from an upperclassman who obviously knew you were a freshman, you were forever lost; trapped inside the cold, lonely campus. After the first day at school, you thought nothing could be worse. Then came Freshman Initiation Week. The Seniors sure had a strange way of welcoming you, but it was all in good fun. One day you would look back on your High School days and realize just how spirited the class of 1987 really was. Retreats and class meetings would soon play an important part in uniting the class of 87 with bonds of friendship and love.

Now as Seniors, queens of the campus, we are no longer afraid of what we dreaded as freshmen, sophomores and juniors because we have experience. We have learned what to expect from ourselves in order to succeed. Each day we are faced with decisions that will affect our lives after high school. So many questions, but not yet the answers. With diligence and determination, we push ourselves further each day to accomplish our goals. We prepare to face the unknown destiny that lurks soon after graduation. Can we make it? You better believe it!!

While eating lunch, Denise Lowe, Sharon Dyer, Cathie Close, Michele Drinnen, Mary Nelson, and Judy Garcia pose for the camera.

SENIORS

B I N G O

B-6, I-21, N-36, G-43, O-62. B I N G O!!!

Bingo is a long-cherished activity that gives the adult society in our community a time to be with friends and to win a little money in the heat of competition. At St. Joseph's Wednesday night Bingo sessions, you can win up to two hundred and fifty dollars, an excellent profit when it costs basically fifteeen dollars for about fifteen games. Besides the players winning, so does St. Joseph's as the profits help to fund the school. In the words of Mrs. Meyer, our Bookkeeper, "Bingo is a very important fundraiser to help meet our school's budget."

With the help of the parents at our school who are in charge of it, Bingo runs very smoothly. The parents also serve free coffee, tea, and popcorn and sell other refreshments. So on Wednesday evenings, come and enjoy the excitement of competition at St. Joseph's Bingo sessions.

B-I-N-G-O, and there is another winner!!!

1. Lights flashing, numbers glaring, shouts of excitement, what could it be except Bingo!!
2. Bingo is a game that involves all ages, with the same thrill for all.
3. Friendships always kindle in every St. Joseph Bingo Session.
4. These are always the necessities of this cherished game.

Vikki Habell - "Eat, sleep, and go out with my friends and have as much fun as I can with out getting into trouble."

Margaret Valdez - "I love to go to the "CASA" and go dancing with Cha-Chas, and then a trip to Tommy Burgers is a must."

Mr. John Reyes - "If it's a nice day out, I like to go to the beach and if not, a bicycle ride seems to do the trick."

Rosemary Piazza - "If I had my way, I'd sleep all day and party all night."

Meighan Berberich - "I like to go out with my friends and sometimes even look for a new boyfriend."

Miss Dee Dee Mendoza-"I like to take my unofficial Fiance's car, to go shopping with one of the members of the Bermuda Triangle, and on Saturdays, go to Hermosa Beach with the other member of the Bermuda Triangle.

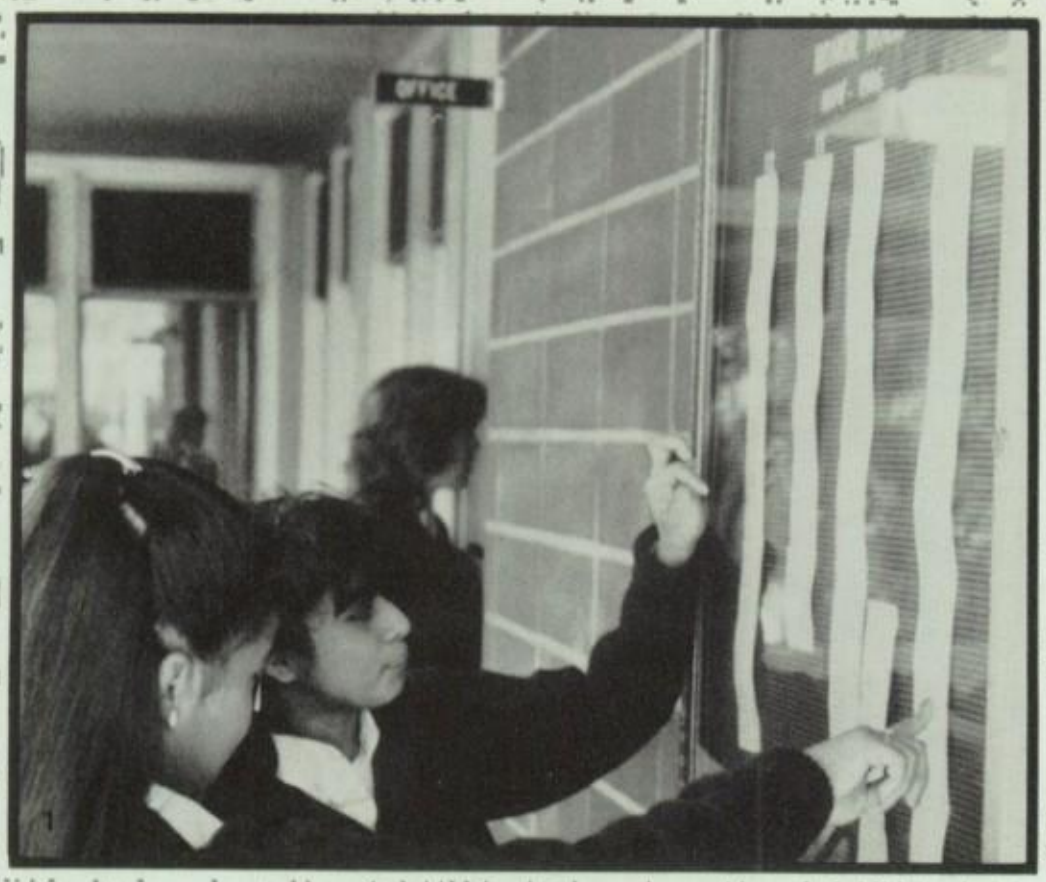
It's Friday afternoon, 2:30 p.m., and the bell has just rung. "O.K. see you at 8:00 p.m., remember to wear your leather jacket and those new boots. I'm so excited, I just can't wait, we're going to have so much fun!"

These are the words of typical high school students every weekend. Their week is spent planning things to do on the weekend, and when it arrives, just step back — because they plan to have their share of fun.

Weekends are filled with fun and excitement that can be seen at places such as: parties, the movies, shopping with friends at the mall, football games, Florentine Gardens, and any other place their hearts desire. High school students have wild imaginations, and no weekend can go by without having FUN!

As some people say, they live for the weekend. Well, in high school it's just the same and even more so. The only difference is: High school students can't seem to put an end to their weekend fun and only realize it, bright and early, Monday morning.



1. Eager students look at the Honor Roll list to find out if they made it. 2. After school Andrea Blandford rushes to board the bus to go home. 3. A happy student looks in her locker to find her Birthday present from her friends. 4. A student calls her mom to tell her that she is staying for a soccer game.

No Matter Who You Are:

YOU BELONG AT ST. JOSEPH'S

The students here at St. Joseph's lead a very active and busy life. First of all, doing homework and studying takes up a lot of their free time. When they aren't doing schoolwork, students can find many extra-curricular activities to participate in. For the sporty types, we have volleyball, soccer, tennis, softball, and basketball. For the studious types, we have all sorts of clubs ranging from foreign language to the bicycle club. For the dancing types, we have many exciting dances throughout the school year. For students who like being involved with the school, we have student council. As you can see, there's lots to do at St. Joseph's."

St. Joseph Parents Get Involved!!

Each year we thank the faculty and school organizations for helping to maintain the outstanding reputation St. Joseph has. However, there is one group that we could never thank enough for the support, time, and dedication they have given to St. Joseph. That group is our PARENTS. PFO, Bingo, Carnival, supporting our sports teams and cheer squads are only a fraction of the feats that they accomplish. Without the key element of our parents, our school would be lacking in success and unity. We should take pride in the parents of St. Joseph and be glad they are ours.

1. Mary Ann Severson attentively reviews her daughter's schedule at mini-schedule night.

2. Mr. Meyer, Mr. and Mrs. Healy see what their daughters go through each day.
3. PFO meetings prove to be informative as well as fun.
4. Mrs. Garcia and Mrs. Hernandez are avid supporters of Song and Drill.
5. A group of dedicated parents take an interest in their daughters education.

Out With Boscoe

Basketball Homecoming always stirs up much excitement and nervousness among both the Jesters and the Braves. Before we let you in on who the winner is, let's tell you a little bit about him. He participated in the St. John Bosco Varsity Soccer Team. He enjoys racquetball, fishing, and can be heard playing his harmonica. And so, the 1987 Homecoming King is ... Mike Perron.

Presented with a fresh bouquet of carrots and a crown of gold, our king was cheered on by the game's crowd. Joined by his Senior court, David Fife, Bill Orr, Ralph Paredes and Jim Sterner, these candidates were escorted by our gracious ASB Board.

Though quite a reversal from football's homecoming, our spirit and enthusiasm shared between both schools was carried out as the Boat Float dance held on February 14 completed the exciting weekend.

1. An overwhelmed Homecoming King Mike Perron accepts his prestigious crown.
2. The Boat Float turned out to be a successful fun-filled event for both schools.

Mother/Daughter Brunch:

A Spirit Of Unity

This year the annual Mother/Daughter Bruncheon was an especially welcomed event for St. Joseph's. Held on Sunday, December 14th, at the Centre in Sycamore Plaza, Lakewood, the morning opened with a mass celebrated by our own Father Henry. A silent auction with a variety of donated gifts followed. The large crowd enjoyed the delicious brunch served to them. Models, mothers, and daughters participated in a fashion show to conclude the event.

It truly was a beautiful sight to see old friends reunited and new friends introduced. The laughter and love expressed on this occasion showed a strong bond of unity within our school and our families as well.

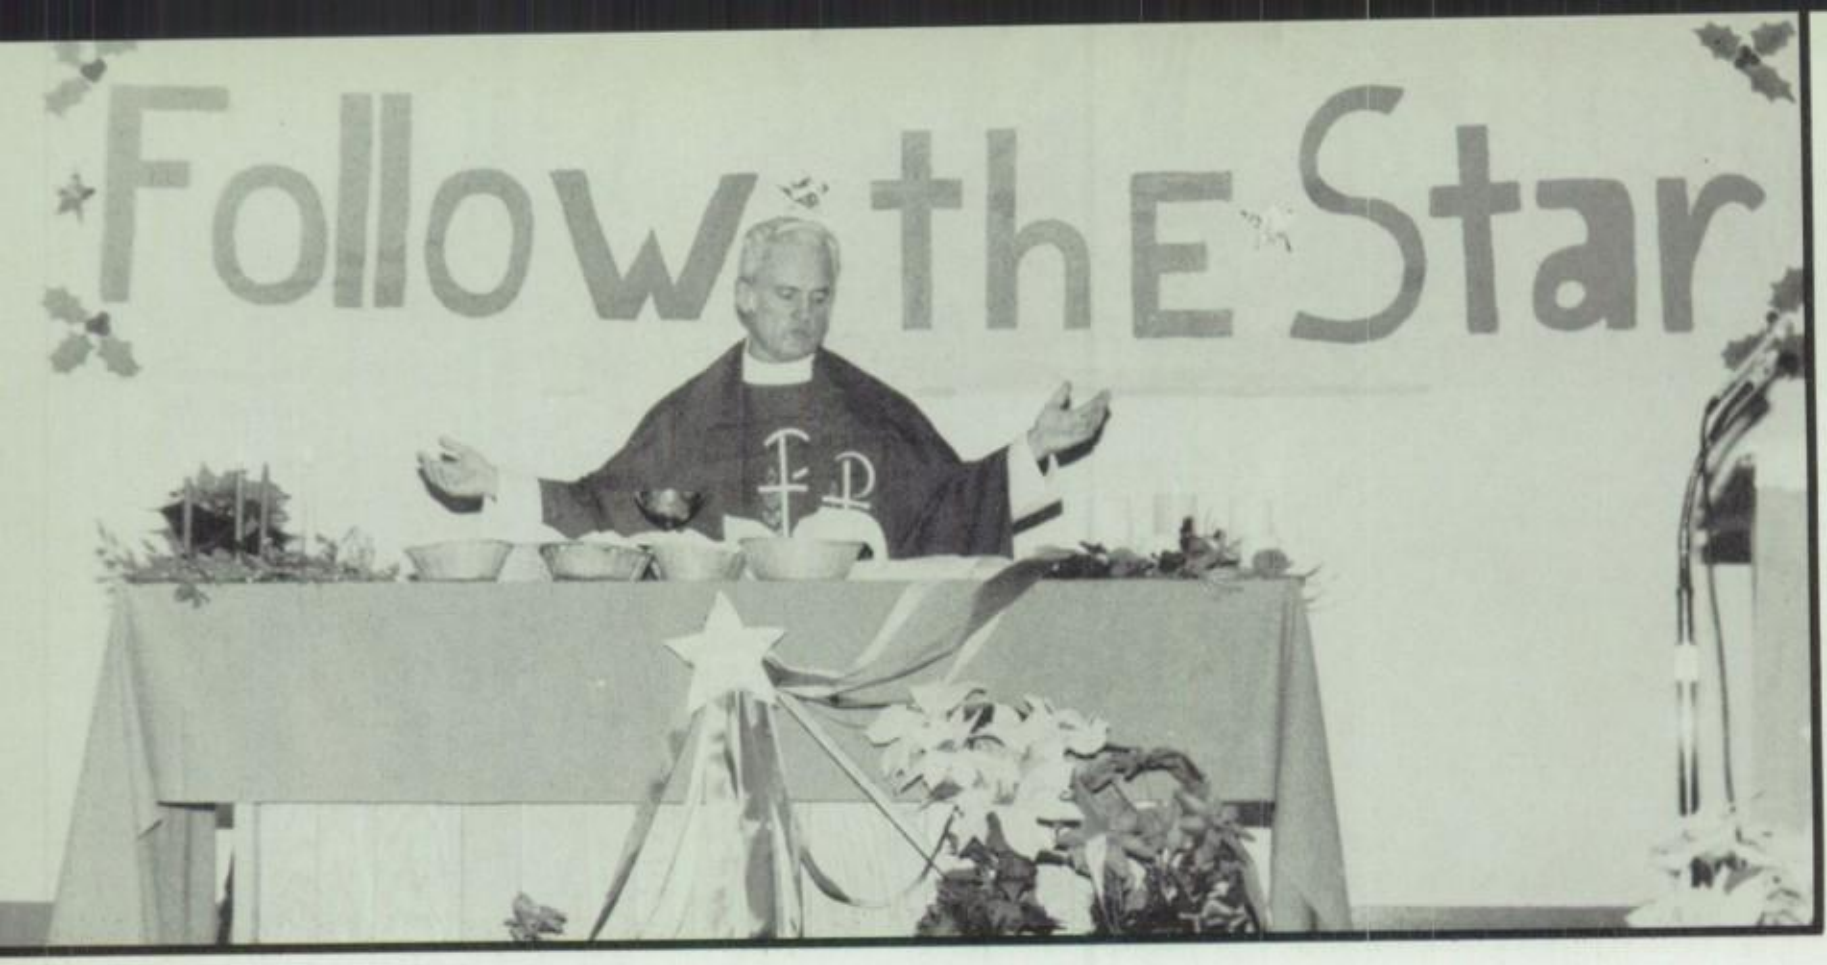
Mrs. McMaster and her daughter, Marie, enjoy their delicious hot meal.

Jennifer Gibson and her mother wait anxiously for the fashion show to begin.

Mary Ross and her mom have a chance to talk with some friends before breakfast.

Mrs. Charpentier and her daughter, Carla, enjoy their morning together.

Marcela Mejia, Elizabeth Perez, and her mother take a moment between events to smile for the camera.



1. Masses wouldn't be the same without Fr. Henry.
2. The faculty prepares themselves to become Eucharistic ministers.

Masses:

LOVE AND HOPE PREVAIL

St. Joseph is fortunate to be able to celebrate its love and unity through our Masses. Campus Ministry puts careful preparation into each Mass and applies everyday themes with which we can identify and express our love for Christ. These masses encourage us to take time to appreciate our friends and family for everything they do. We are also moved to explore what we are feeling and use the time to prioritize our goals and aspirations. Who couldn't be uplifted by one of Fr. Henry's humorous, yet thoughtful sermons.

Masses enable us to share a special bond of love with one another.

3. (**At left**) With Susan Czierwinski, Jennifer Allen, Natalie Cousins and Patricia Barlow's singing talent, we find a very spirited mass.
4. Fr. Henry and Maggie Averill give much time to prepare our wonderful St. Joseph masses.

The Junior Statesmen of America Chapter of St. Joseph High School has expanded its membership greatly since its founding on our campus three years ago. The members of J.S.A. are especially interested in public speaking and strive to achieve a greater understanding of the complex issues facing our government.

By attending regional conferences, these girls are given the opportunity to refine their debating skills and compete with J.S.A. members from schools around Southern California. The Junior State held many fundraisers, including a Dinner Debate for students and parents, to raise money for its members to participate in the Spring State weekend convention.

CYCLE CLUB/G.A.A.

This year the St. Joseph's Cycle Club had a very energetic crowd. Led by two enthusiastic Seniors, Tina Osorio and Kelle Lorge, the club ventured to the Queen Mary and the beach. In addition to these trips, its members pedalled together for numerous Saturday morning rides.

These St. Joseph cyclists truly show their sense of adventure and spirit while speeding around and having fun.

The Girls Athletic Association this year was very spirited, as well as successful, in their activities at St. Josephs. Along with many bake sales, G.A.A. sold tacos to the students once a week. They planned the annual Father/Daughter Dance and an exciting Sadie Hawkins. Its active members, those involved in sports, cheer, song, and drill, held spirit rallies and informed the student body of up-coming games, tournaments, and competitions.

The 1987 G.A.A. board, moderated by Mrs. Margaret Bos, has done a great job in offering fun-filled activities to boost the spirit and enthusiasm of athletics within our student body.

C.S.F.-THE ROAD TO EXCELLENCE

1. The dedicated Seniors at St. Joseph's show their scholastic abilities by being active in the California Scholarship Federation. 2. The C.S.F. Club is privileged to have Shelly Cornelius as President, Chris Hernandez as Secretary, Mary Orayani as Treasurer, and Tina Osorio as Vice President. (Tina not present.)

Motivation, dedication, and intelligence are just three of many characteristics most C.S.F. students possess. C.S.F. which stands for California Scholarship Federation is a club for students who have a minimum of three A's.

These students believe in taking advantage of the excellent scholastic program available at St. Joseph's. They understand the true meaning of dedication. These students also believe in bettering our school. They tutor those who need help, mostly in Mathematics and Foreign Languages. They also help in cleaning up the campus. It is a great honor and joy to be involved in such a worthwhile club and for those who would like to participate in this club just remember the following words: Learning isn't easy . . . frustration tends to set in quickly . . .

You hurt.
You feel defeated.
You want to give up-to quit.
You want to walk away and pretend it doesn't matter.
But you won't,
because you're not a loser-you're a fighter . . .

We all have to lose sometimes before we can win,
we have to cry sometimes before we can smile.
We have to hurt before we can be strong.
But if you keep on working and believing,
you'll have victory in the end.

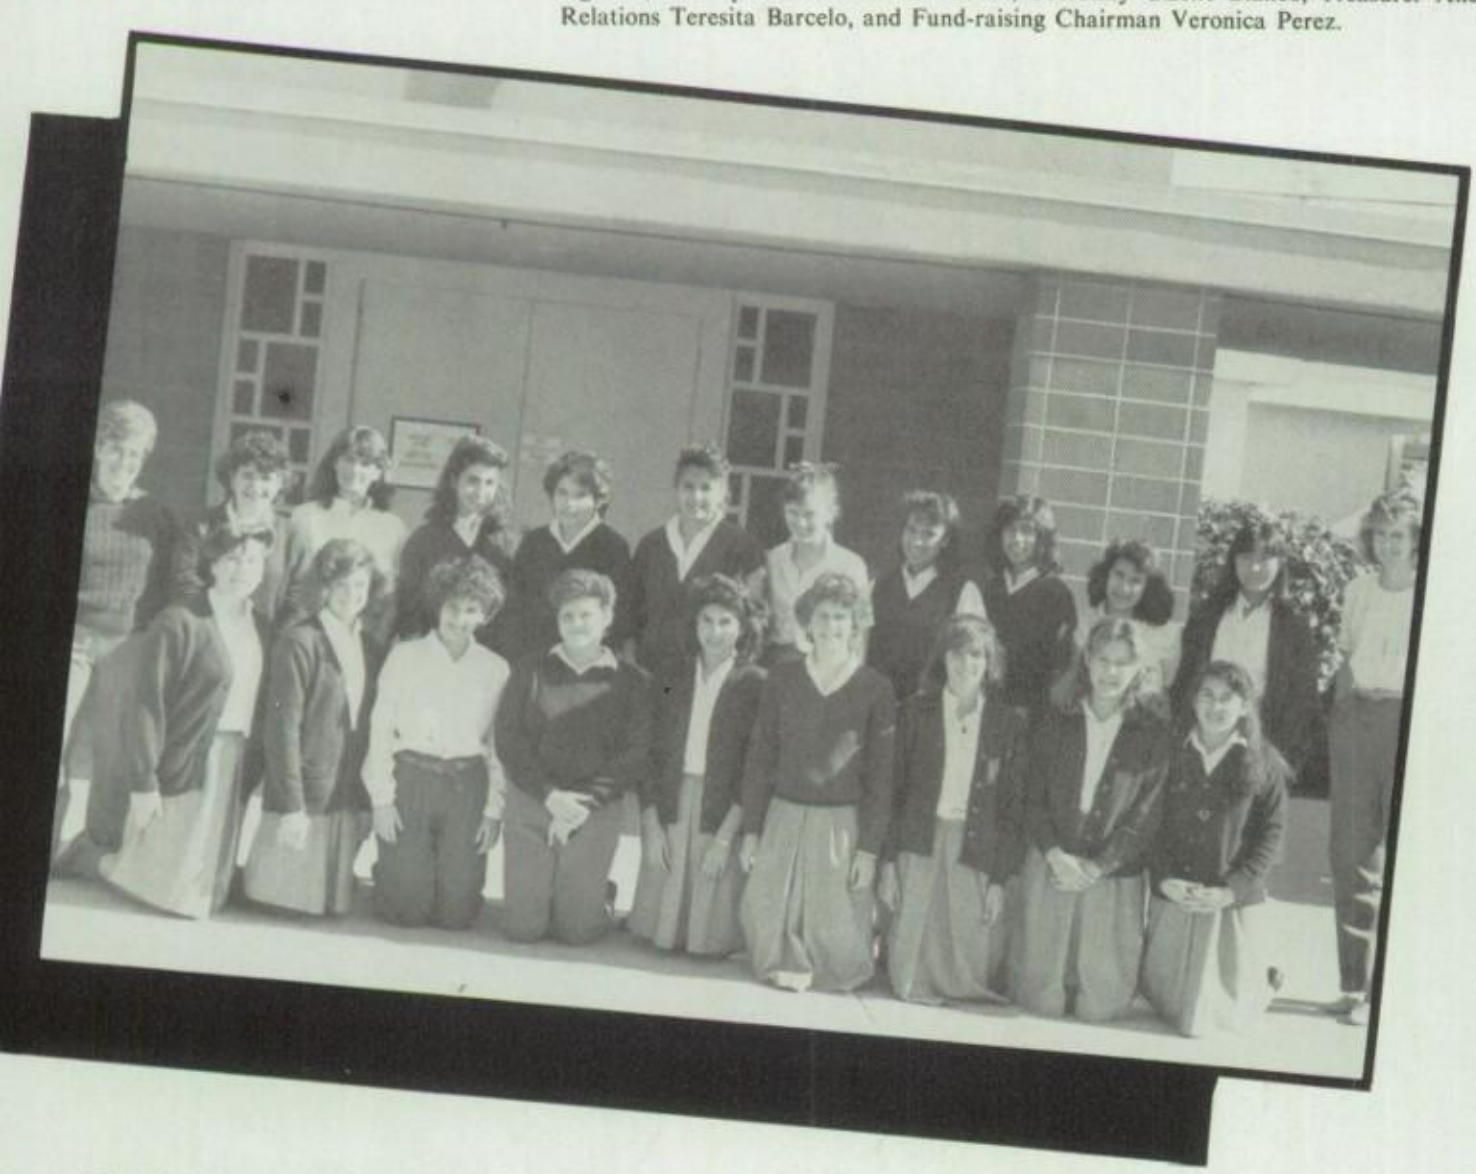
DRAMA CLUB/GAZETTE STAFF

The Drama Club consists of members from all classes who are interested in the entertainment field. This year the club visited convalescent homes and spent hours there singing for the elderly. A few of their after-school trips have been to Universal Studios, various plays and theatres. Their fundraisers, such as bake sales and other interesting activities, enable them to travel to such places.

The main project, though, has been the annual Talent Show. This activity offers students a chance to show off their special talents. The Drama Club members this year welcome their two new moderators Miss Sue Simons and Miss Carrie McDermott.

The 1987 Drama Club: Miss Sue Simons and Miss Carrie McDermott (moderators), President Claudia Aguirre, Vice- president Monica Tabrizi, Secretary Giselle Blanco, Treasurer Andrea Alva, Public Relations Teresita Barcelo, and Fund-raising Chairman Veronica Perez.



This year the members of the Jesterette Gazette worked hard to continue the publication of our school newspaper. Now in its second year, the staff is co-moderated by Miss Sue Simons and Mrs. Marilyn Wittkop.

Using their creative writing skills, the girls put much time and effort into producing such an outstanding newspaper.

ASSOCIATED STUDENT BODY OFFICERS

What does ASB mean? The Associated Student Body of St. Joseph High School consists of five responsible, concerned students who all have the same goal in mind but have their own ways of accomplishing this goal.

The five board members are President Deena Totah, Vice-President Hanya Totah, Secretary Kelle Lorge, Treasurer Tina Osorio, Public Relations Theresa Concepcion and are all under the direction of their "all-knowing" moderator, Miss Terri Mendoza.

This group of young ladies are very dedicated to their school and put forth much time, effort and hard work to make the student body of St. Joseph High School appreciate them so much.

PUTTIN' IT TOGETHER

Seldom does one realize the hard work required to produce a quality high school annual. This year, the 1987 Jongleur staff worked especially hard to create an outstanding yearbook that would be treasured for years to come.

With the guidance of Miss Catherine Pavlish, the fifteen eager members, using their creativity and imagination, united as one dedicated staff to carry out the theme "Steppin' Out" and to meet their deadlines. This meant working diligently even when the school day had ended. This effort was necessary, though, to capture the spirited events of the school year and transform them into special memories.

We hope you are as proud of this yearbook as we are.

After school, Lulu raced out of the school's parking lot in her shiny red convertible bug, singing along to Bon Jovi. Before going home, she made a quick stop at the mall to pick up the black velvet dress and leather skirt at Contempo that she just couldn't resist. Now all she had to do was figure out which one to wear to tonite's party. While she was mulling over that problem, she hopped on over to Penquin's to get some yogurt and New York Seltzer (the vending machine at school was empty). Then she sped on home, ran up the stairs and dropped all of her books on the floor. She just couldn't stop to put anything away. After all, she still had to do her hair and her make-up. So, she ran to the bathroom, just stopping long enough to toss her hat on top of the closet door and grab her copper-coloured mousse from the table.

While Lulu was getting ready, her mom walked in looking for her. She was absolutely stunned when she saw the way everything was just lying on the ground, and a look of disgust appeared on her face as she stared at the cold pizza, empty bottles, and clothes strewn everywhere. What were those things hanging from her high tops and the ceiling?! She would've waited in Lulu's room to have a talk with her, but the whole bed was covered too. Fuming, she called Lulu and ordered her to clean up her room or else she wouldn't be going out. Glancing at her watch, Lulu knew she couldn't clean it up in time for the party, so she put on her most winning smile and said, "But mom, it's an organized mess!"

BUT MOM-IT'S AN ORGANIZED MESS!!

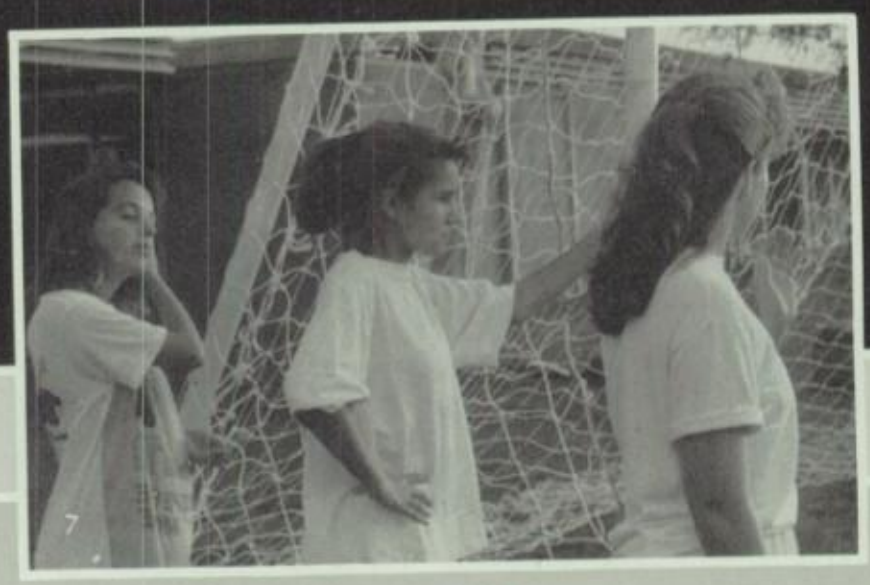
SOCCER SIDEKICKS

This year's soccer team consists of seniors: Christine Ward, Michelle Barreto and Mary Kate Engler; Juniors: Michelle Carlos, Erin Prangley and Kim Arboit; Sophomores: Mary Feiner, Meighan Berberich, Kathy Harkey, Emily Perez, Susana Perez, Loreno De Leon and Chrissy Byhan; Freshmen: Rebecca Wiley, Amy Lukehart, Suzanne Pickett, Claudia D'Agostion, Cary Purzycki, Marie McMaster and Christine Emch.

They have just recently started their season. Last year was the 1st year St. Joseph's had a soccer team.

It was a worthwhile establishment as we notice the good sportsmanship of the team. GOOD LUCK GIRLS!!!!!



1. The soccer team of 1986-7 consists of: Christine Ward, Mary Kate Engler, Christine Emch, Chrissy Byhan, Lorena De Leon, Marie McMaster, Carrie Purzycki, Michelle Carlos, Kim Arboit, Susana Perez, Claudia D'Agostino, Michelle Barreto, Suzanne Pickett, Amy Lukehart, Rebecca Wiley, Emily Perez, Kathy Harkey, Meighan Berberich, Erin Prangley and Mary Feiner. 2. 3. The '86 CIF Softball Champs; Lisa Fernandez, Gina Matillo, Dana Montoya, Amy Geldbach, Katie Brazelton, Judy Garcia, Dede Mosman, Erin Prangley, Regina Bailey, Gina Lopiccolo, Pica Icasiano.
4. Concentration is the key to Lisa's great success.
5. Even on unfamiliar grounds the softball teams strut their stuff!

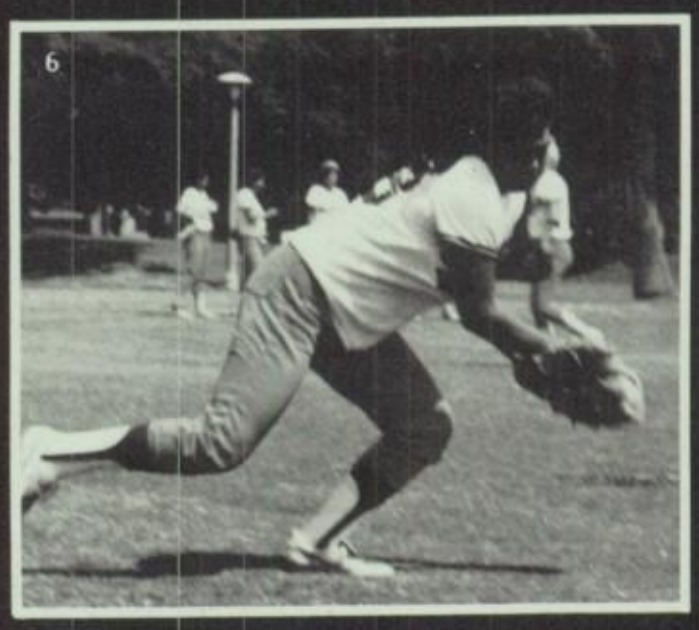
Strike one! Strike two! Strike Three! You're out!

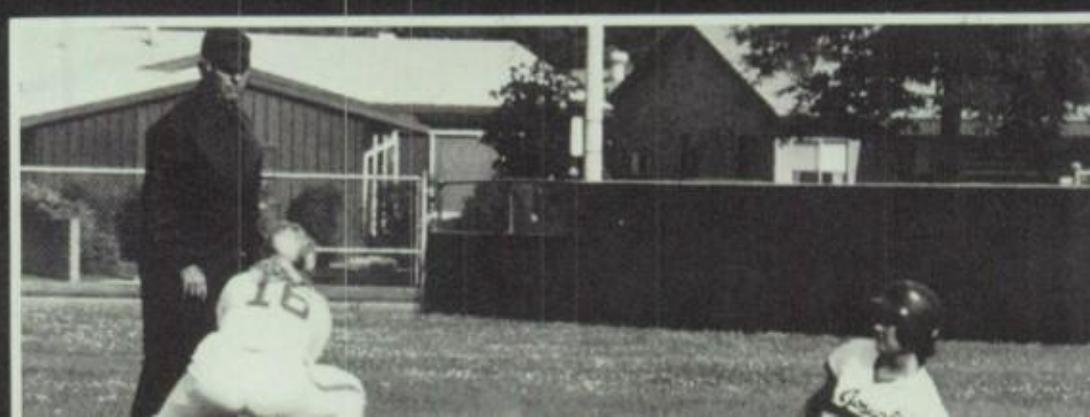
These are words our J.V. and Varsity Softball teams rarely hear. With Lisa Fernandez star pitching on varsity and being LakeWood's Athlete of the Year, though, our opponents hear these sentences frequently. St. Joseph's, being League Champion in '86, were very equipped for this year's season. They practiced diligently and had excellent coaching by Debbi Taylor (varsity) and Wanda Mullikan (J.V.).

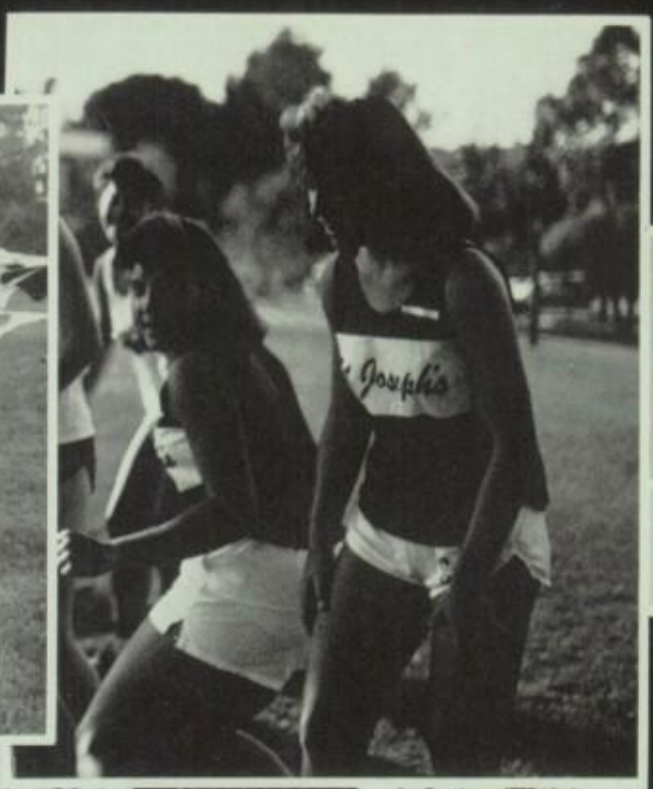
Softball is a cherished sport at St. Joseph's. Maybe the reason is our talented students and coaches. Or maybe it's the supportive student body. Or maybe it's the dedication that all students learn at St. Joseph's. The main reason, though, is that our athletes physically support our Alma Mater: "Orange and White, our colors bright and bold, will win for us glories untold." We should remember these words like our Softball team has and know that we too can win glories untold.

1. Varsity champions for the softball 85-86 year.

2. Coach Taylor shows the team how it's done.
3. Team unity is the main characteristic in St. Joseph's softball team.
4. The Taylor peptalk gives the team great inspiration.
5. During Softball Playoff's the teammates always made time for friendship and fun.
6. Gina Lopiccolo gives her all to catch the impossible ball.
7. Safe!







CROSS COUNTRY

. . The Self-Motivated Sport

Cross Country is not a widely - talked about sport at St. Joseph's. The team consists of eleven members, coach Leone Torromeo and is divided into a Varsity and Junior Varsity team. Lori Todah is the captain of cross country and, indeed, does take care of her long line of duties. She was a hard working, dedicated captain who put much of her time toward this sport. As coach Leone explained, "I don't know what I would have done without Lori."

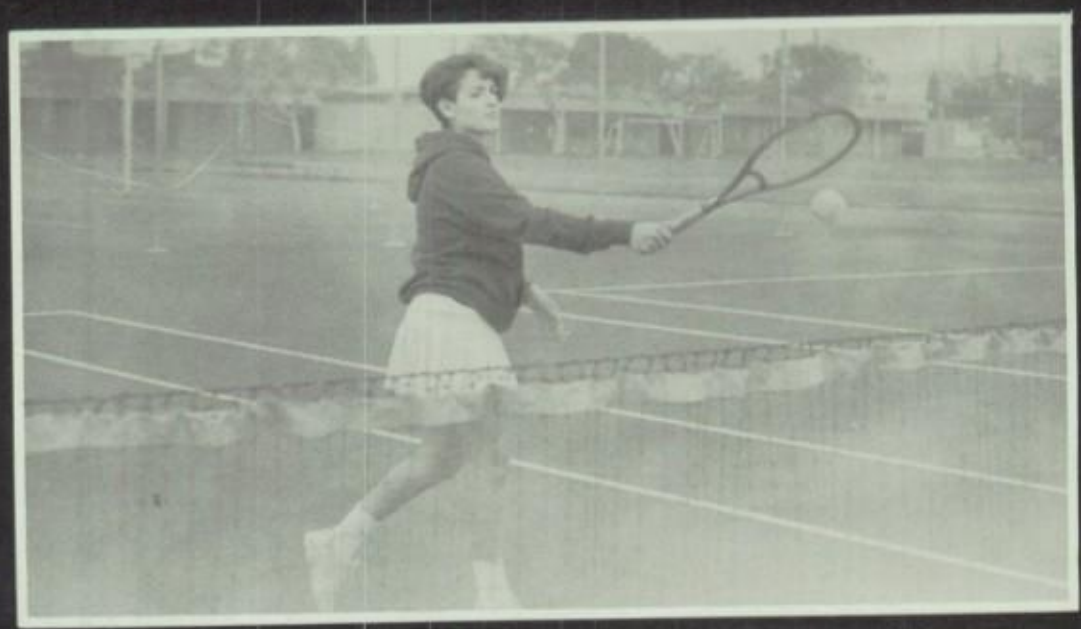
To be a successful cross country runner, one must be self-disciplined and motivated. It is an individual sport that requires long months of training and self pride. The team runs 2-6 miles daily to train for their races. It requires individual devotion, and much practice to achieve improvement. This year, Connie Lynn Villani showed signs of outstanding improvement, cutting her speed by ten seconds. This proves the old saying to be true-"Practice does make perfect."

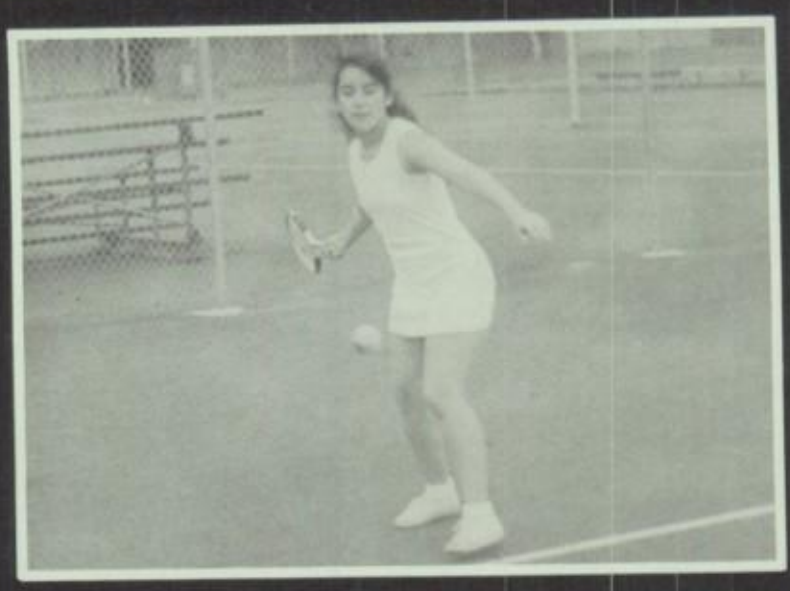
The 1986 Cross Country team looks ahead to improvement as the struggle continues for individual excellence. Everyone awaits the next season with high hopes for a fresh start.

The cross country team consists of from left to right, coach Leone Toromeo, Joanna Gardner, Janette Hermelin, Katie Brazelton, Lisa Fernandez, Kristine Lee, Lori Todah, Maria Montgomery, Karen McFarland, Julie Abutal, Connie-Lynn Villani and Mary Maguire.

SWINGIN' IN STYLE

Through hard work and dedication, the tennis team ended with a sixth place finish. The team was trained by Coach Trejo who spent endless number of hours drilling and running them. Through perseverance, the Jesters proved to be a tough opponent. The only returning Senior, Karen Walker, demonstrated admirable leadership and playing abilities which earned her a number two place on the team. Since this year's team consisted of mostly underclassmen, there is no doubt that, in the future, our Varsity tennis team will improve and become a formidable competitor.





1. Rita Gonda, Patricia Barlow, Karen Walker, Anne Pinon, Mary Ross, Sarah Chavez, Patricia Ryan, Bonnie Um, Sue Pefferman, Barbara Sutton, Barbara Guerra, Cathy Camacho and Coach Trejo make up the talented Varsity tennis team.
2. Sarah Chavez catches the opponent off guard with her awesome volley.
3. Sue Pefferman displays the agility it takes to be a member of the team.

REACHING FOR THE TOP

As with any team, being a member of Junior Varsity basketball takes a lot of time, hard work, and spirit.

Our J.V. team spent many exhausting hours practicing to improve their skills. Strengthening their strategic moves took much patience but with the help of their coach, Miss Debbie Taylor, these girls were determined to go far during the season.

A sense of enthusiasm and togetherness could be felt as each member gave her all in every game. The skills developed during this season served the girls well and made our school proud of them.

ST. JOSEPH BASKETBALL

Striving towards perfection. During basketball season this was the main goal of our Varsity team. After winning first place in the St. Anthony's Tournament, the team members worked very hard to continue their success throughout the rest of the season.

Under the leadership of their devoted coach, Mrs. Margaret Bos, these girls learned true sportsmanship as well as the means to accomplish their high goals.

With their pride and enthusiasm, this unified Varsity team showed their outstanding ability in every game they played. But no matter what the final scores, our determined team members proved themselves real Shooting Stars.

During the season, four girls were selected to play for the All-League Team, Juliet Norton and Michelle Wheeler making the 1st team, and Heidi Hofsman and Rayna Vanderlip making the 2nd team. CHEER

WELCOME TO THE SQUAD!

The Freshman Cheer Squad from the class of 1990, established winning recognition from anyone who watched them perform. The newly chosen squad in keeping with tradition, proved to be a remarkable bunch of talented cheerleaders.

Tryouts weren't held until mid December and from that moment on practice and perfection began. This year an incredible amount of girls tried out, but only eight talented freshman made the squad. Those girls are: Jeanne Coyle, Cathy Devitt, Tricia Duncan, Kristi Johnson, Reneé Martinez, Elaine Tordesillas, Kristi Wong, and Jennifer Zayas.

The Freshman Class is known for their enthusiasm and overflowing spirit. Now with the Freshman Cheer Squad leading and uniting them, how can they go wrong!

MARCHING WITH STYLE

The Drill and Dance teams have one thing on their minds, perfection. You can find them after school practicing vigorously, so their audiences watch their precision performance in awe. Captain Cindy Franco with the help of Linda Hernandez, spends numerous hours choreographing routines that will win her squad, yet another award. Each girl has to perform physical feats which are challenging, but she still does it with a smile on her face. St. John Bosco, as well as St. Joseph, has the privelege of these squads representing them with their spirit and fervor.

Superior. That is one of the few words that describes Tall Flag accurately. Though not always given the recognition they truly deserve, Tall Flag puts an abundance of time and effort into their carefully planned routines. Each member possesses dedication, talent and enthusiasm which gives Tall Flag their feeling of *esprit de corp.* Tall Flag not only represents St. Joseph, but also St. John Bosco who has the honor of having the squad perform at their games and rallies. Each girl strengthens her expertise and agility through the many competitions and parades she enters. It takes a special person to be a part of Tall Flag, and each girl has shown that she is worthy of such praise.

1. Alicia Case, Shannon Smith, Mary Spaulding, Michelle Moran, Elizabeth O'Donnel, Atim Natuk, Rita Zeller, Yvonne Vargas, Julie Trujillo, Merinda Bradshaw, Debbie Haas, Kathleen Meyer and Antoinette Hyatt represent Tall Flag.
2. Personality and charm are two traits that are needed to be an effective member.

THEY'VE GOT THE RIGHT BEAT

SOPHOMORE CHEER

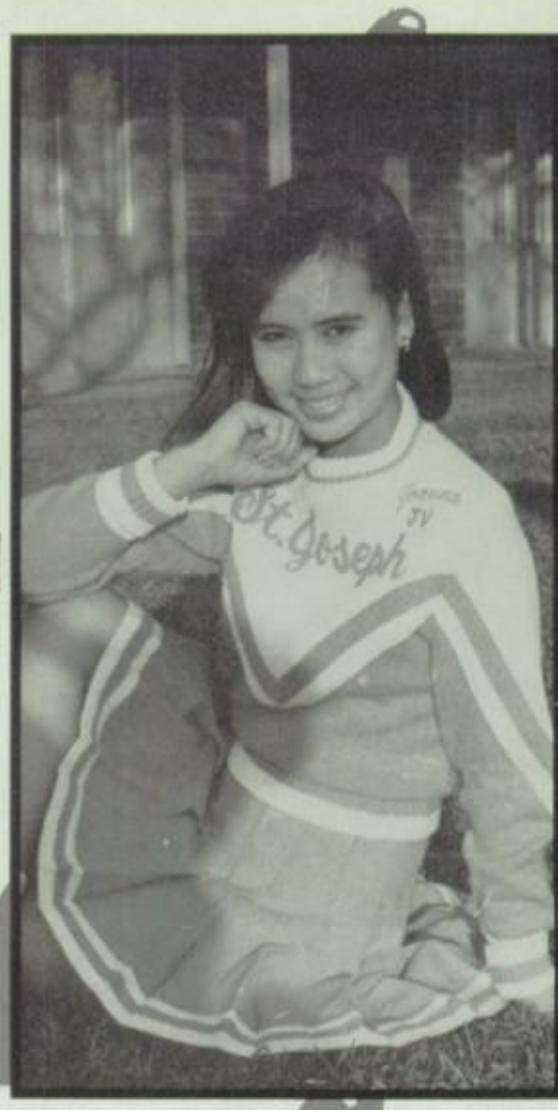
What straight arms!

Sophomore Cheer is an excellent squad which really makes St. Joseph High School proud. They spend many long hours practising to perform their difficult moves with ease and showing their style through their exciting routines. Cheering at football games, rallies, and going to competitions keeps the squad busy and gives them a chance to show everyone what they have, especially their unity and spirit which radiates from these Sophomores. They need not try to be enthusiastic for its a natural gift all can see. Thanks to these girls we at St. Joseph's can keep clapping to their united beat.

The spirited Sophomore Cheer consists of Joan Massa, Pilar Mata, Jo Anne Sumahit, Andrea Alva, Carrie Van Horik, and Captain Kristen Ybaben.

Captain Kris.

Smile, girls!



JV CHEER

The 1986-'87 Junior Varsity Cheer Squad, with the help of their coach, Gene Lujan, set out to achieve high honors at the beginning of the year. They received no less, but this was not handed to them. Many hours of hard work, effort and dedication were sacrificed by the J.V. cheerleaders. They set a good example for all the other squads and showed that a combined squad of sophomores and juniors could keep the spirit flowing throughout the classes. At St. Joseph Pep Rallies, their energetic performances caught the eyes of the entire student body. Cheers from all the classes proved that the junior varsity cheerleaders were a smashing success.

1. The J.V. Squad consists of: Joanna Pleto (captain), Anne Marie Adinolfi, Roselle Factoran, Sharon Keulen, Cynthia Morales, Liza Santos, Kristine Serrano, Julie Smock, and Jessica Szeibel.
2. Joanna Pleto, captain of the Junior Varsity cheerleaders.
3. Okay, girls, keep that line straight.
4. C'mon, hurry up! You'll miss the game!

Discipline and talent are the key elements to the 1986-87 Varsity Song Squad. This year's squad is known for their sense of unity and spirit. This past summer at songleading camp, the song squad received the unity award. This award is given to the squad that displays strong unity and spirit, and is the highest and most honorable award to ever receive. The eight songleaders on Varsity Song are very dedicated to their squad and school. This dedication is shown through their spectacular performances at rallies, football games and competitions. This year's Varsity Song Squad stepped out with flying colors.

The 1986-87 Varsity Cheer Squad added an extra touch this year. The fourteen cheerleaders from St. Joseph's and the six yell leaders from St. John Bosco united to make this year's squad like no other. The squad members put much time, hard work and desire into all they did, but this could not be possible without the help of their coach: Gene Lujan.

The key element to this squad is talent, and boy, is there a lot of it! The many performances by Varsity Cheer were breathtaking and dazzled all who watched them perform.

This past summer at the United Spirit Association Cheerleading camp, the Varsity Cheer Squad received the unity award. This is the highest and most prestigious award any school can receive.

FOREIGN LANGUAGES: A STEP IN MANY DIRECTIONS

Expanding your horizons beyond St. Joseph High School is the key purpose in taking a language class. St. Joseph's has a reputation for being a secluded and naive school, but with foreign languages, we learn new cultures and languages. With the help of Mr. James Plouf, the chairman of the language department, we find a very intelligent and experienced staff. This staff includes Mrs. Deborah Connell, Mrs. Marilyn Wittkop, Mrs. Eleanor Duvall, and Mr. John Reyes. These teachers educate us students not only in the languages of French and Spanish but also in their cultures, giving us a brooder vision of our great, grand world. So next time you see someone walking down the hall, give her a warm, universal smile — and a loud HOLA or BONJOUR.

1. Mrs. Eleanor Duvall always teaches her Spanish classes with the greatest spirit and authority.
2. Mrs. Marilyn Wittkop supports the inexperienced students in all the trials and tribulations of Spanish one.
3. Mrs. Deborah O'Connell gives's her all to educate the students of St. Joseph's.
4. Mr. James Plouf helps his french class accomplish their goals in becoming aware of the French culture.

Ruth Aquino diligently studies the highlighted notes in her book.

UNCOVERING THE PAST...

Irene Welsh chuckles at a funny story in the U.S. Govt. Book.

Thanks to the efficient teachers of History, the classes have been very interesting. The students have learned about the past and the present- deepening their understanding of History.

Some of the classes are as follows:

Social Studies (Freshmen) - This course prepares the student in the basic social studies skills, a knowledge of basic social studies vocabulary and experience in critical thinking.

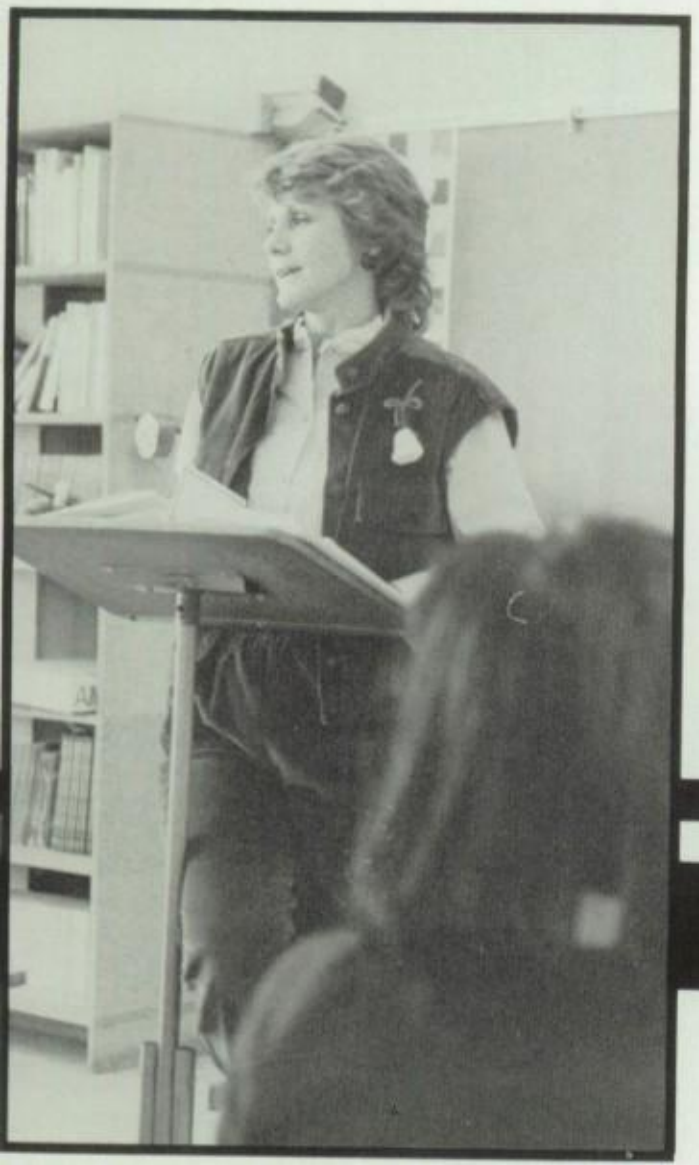
World History (Sophomores) - This course enables the students to think clearly and make intelligent decisions; to develop study skills and to understand and respect individual and cultural differences and similarities.

U.S. History (Juniors) - This course helps the student acquire an overall understanding and appreciation of the development of our nation's past in order to help the student to contribute to the nation's future.

U.S. Government (Seniors) - This course enables the student to participate as an informed citizen in the political process by guiding her through an in-depth study, its functions, powers, and purpose, as well as the historical and current political and social influences upon it.

Overall, this year's History department has been very effective in teaching the students about their past.

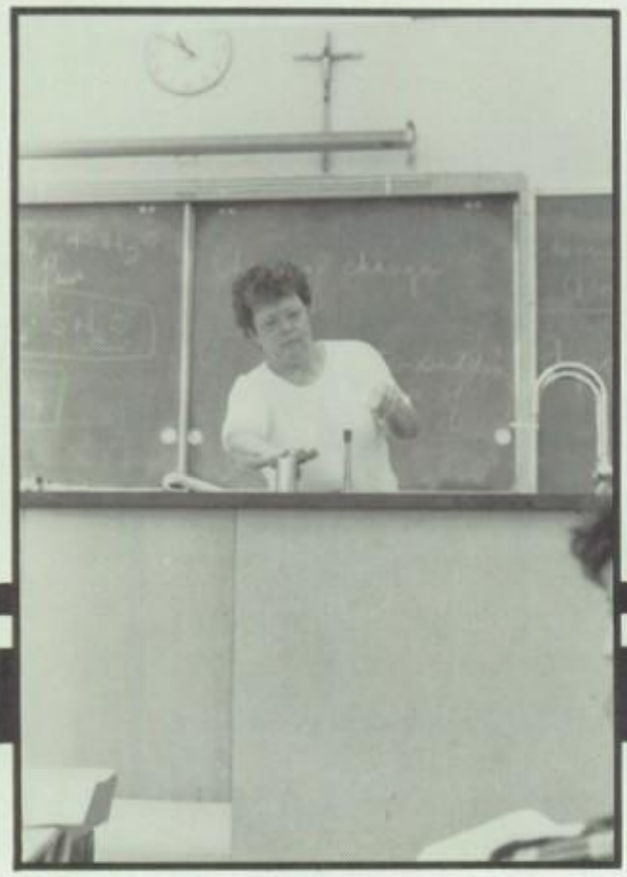
Mrs. Nelson lectures to her class about the wonders of self-government.



Romina Sy takes a well-studied-for-test that deals with the court system.

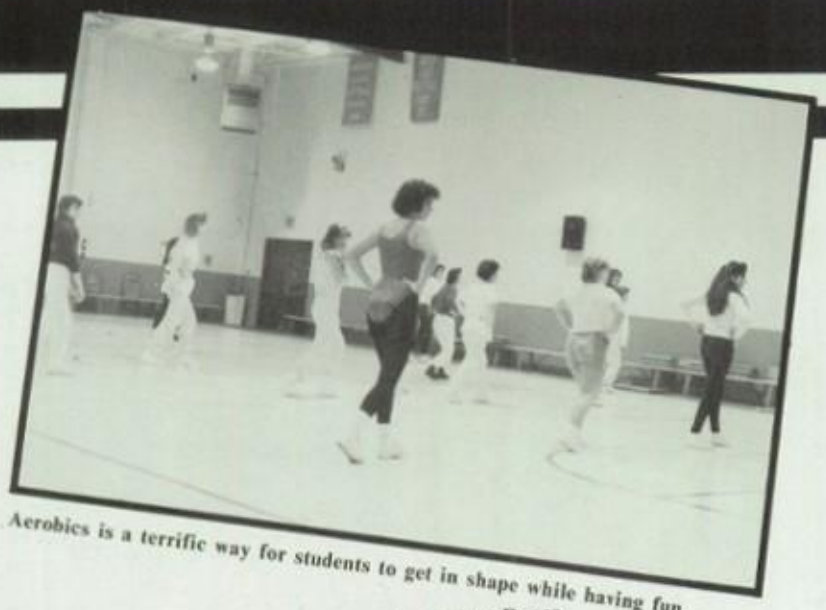
SCIENCE

The Science Department of the '86/'87 school year consisted of Biology, Chemistry, Survey of Physical Science, Physics, and Health classes. The chairman of the sciences is Mrs. Jean Parkins, or the "very helpful and intelligent Biology Teacher," as most of us know her as. When you walk into a SJHS Science class, you can feel the air filled with curiousity and participation, (or maybe it's just the smoke from the latest lab?) The students, with their frowns, smiles, and "light bulb" eyes absorb all the information a science class normally contains: What's the difference between a mammal and a reptile? How many light years are we from the sun? How will we ever know what makes life work? And where did we come from? All these questions and more arise from the curious students' minds. And with the help of Mrs. Barbara Baine, Mrs. Debra Taylor, and Mrs. Jean Parkins, at least some of our questions were answered. As for the future, well, . . . Mrs. Parkins, how do you make an "A" out of water?



1. Jennifer Gibson, Jenny De Young, and Alicia Cochia try to analyze what's under their microscope for this difficult Bilogy lab.
2. Jennie Pefferman, Nagie Khalaf, and Ana Veloz use team work to finish their biology lab.
3. Mrs. Parkins helps Julie Dein with her lab while chatting about the fundamentals of life.
4. Mrs. Baine shows the chemistry involved in her experiments.

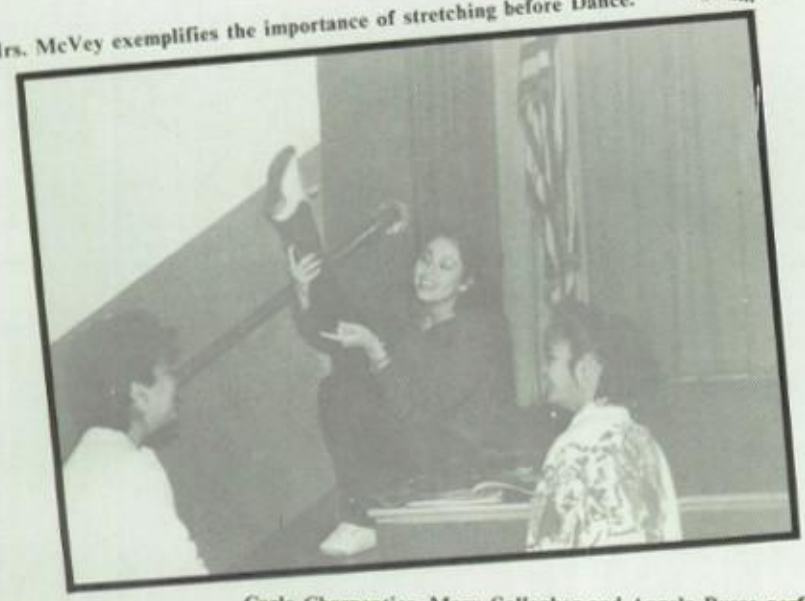
DISCOVERING WITH CLASS!



Aerobics is a terrific way for students to get in shape while having fun.

Mrs. Barnes demonstrates to her sewing class how to make a pillow.

Mrs. McVey exemplifies the importance of stretching before Dance.

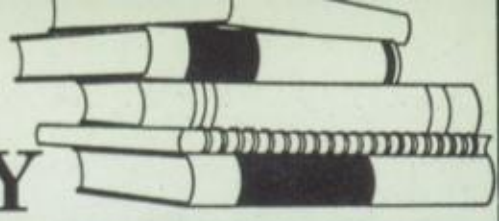


How many times do we complain about our classes? Thankfully, we have electives to break up our schedules. Whether we aerobicize to the current hits or try to become the next Betty Crocker, we seem to put our worries behind us when we step into our elective classes. Electives allow us to interact with our classmates on a different level and discover an area of expertise that we might not have known existed in someone. These teachers have the opportunity to unveil our creative talents and make us become aware of the special qualities we possess.

Carla Charpentier, Mary Gallagher and Angela Russo perfect their homemaking skills.

Drama is a time to discover hidden personalities.

MATH & BUSINESS:
ADVANCING WITH TECHNOLOGY

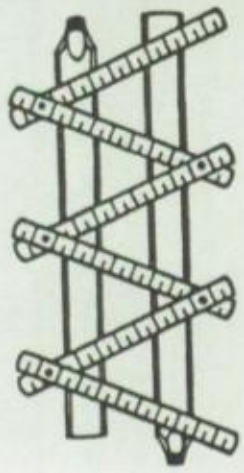


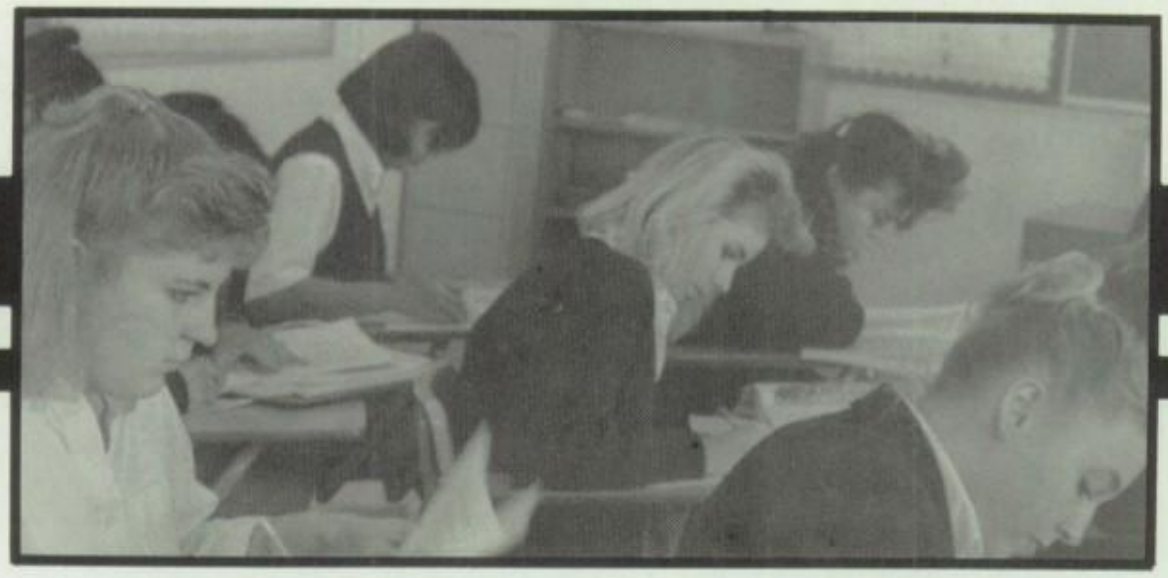
The math and business curriculum here at St. Joseph's High School has advanced tremendously over the past few years.

In our new wing, the computer lab, students work diligently on their programs during Computer Literacy class. The clicking of typewriter keys can be heard as students from typing class sharpen their secretarial skills. On the other side of the campus, students from the various math classes, Algebra I and II, Geometry, Advanced Math and Calculus, strengthen their minds by solving various problems.

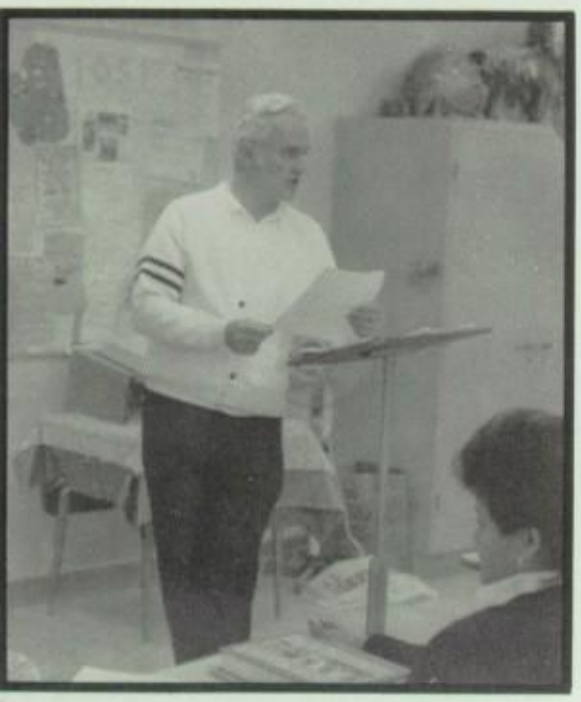
But credit cannot be given to the girls alone. The devoted teachers in both departments offer assistance during their time outside of class so that their students may be further enlightened on the subject.

In spite of all the hard work and effort involved, there is no limit to the usefulness of the knowledge gained from these classes in the professional world today.





NO MORE SONNETS!



So many are the times I'm asked to write
All kinds of assignments, poems and term papers.
Why do I delay it to the last night?
I would rather frolic or solve a caper,
Run down the track with the wind in my hair,
Or trod my feet sore at the downtown mall.
Sit in my room, hugging my teddy bear,
Pick up a new book or make a phone call,
Stop at Penguin's with some friends for a treat,
Hop in the shower and make a big splash.
Drive through the town using freeway or street
Or even do stuff like empty the trash.
So, teachers, here's a bee for your bonnet.
Please don't assign us any more sonnets!

RELIGION

Miss Kathy Beard is the Religion chairperson this year. The Religion classes are basically provided to give the students a deeper understanding of their spirituality and to teach them about God. They are designed to help the student become more aware of herself as a Catholic and to try to live her life as Jesus lived. The students in the Campus Ministry class assume the role as ministers of the Liturgy for the rest of the school by being in charge of Masses and other related activites. For this, we thank Miss Margaret Averill who made all this possible. Other people involved with the Religion department are: Fr. James Henry, SVD, Miss Carrie Mc Dermott, Miss Dee Dee Mendoza, Miss Terri Mendoza, Mrs. Linda Petrich, Mrs. Anna Pritchard, and Sister Mary Patricia Sullivan, CJS. They have all greatly contributed to the Religious study that takes place here. Thank you teachers.

This year, we have a new teacher, Miss Liu, in charge of Art and Photo. The students in Photography learn all the procedures in picture taking as well as developing their own film.

The art students learn the techniques of drawing and get some basic background information on Art history. The pictures and artwork on these two pages are all by students in Miss Liu's Art and Photo classes. As you can see, we have some really talented students at St. Joseph's.

GOBLINS AND WITCHES AND . . .

October proved to be one of the most spirited months at St. Joseph due to . . . HALLOWEEN. The Halloween tradition began with a dance sponsored by Cheer, Song and Drill. Then on October 31st everyone was caught up in trying to masquerade their real identities by dressing up in clever and secretive costumes. Part of the festivities were the annual Costume Parade and Pumpkin Raffle (which proved to be a treat for the winner). As usual, as soon as Halloween ends, we begin thinking of what we can dress as next year.

A STEPPING STONE OF SPECIAL MEMORIES

We are faced with many challenges in life but, as we endure them, they become the stepping stones that pave our future. One of the most special stepping stones is receiving our class rings. The Junior Class received this symbol on October 24th and created many memories of unity, love and friendship that would never be erased from their minds.

The students really enjoyed the Junior Ring Ceremony as it was an experience unlike any other. As one junior, Susan Mescavage, said, "..., it touched the hearts of all." Upon receiving her ring, each girl was given a red carnation and a scroll with a poem written by Janelle Barreto in it.

These added touches brought together the entire ceremony and made it a memorable experience for all who participated in it. On this special day, the juniors not only received their class ring; they became official upperclassmen at St. Joseph High School.

2. Best friends, Michelle Wheeler and Joyce Moody, share their excitement over the ring ceremony.

STEPPIN' OUT

Steppin' Out is one way of expressing what St. Joseph High School is all about. Each class at St. Joseph's demonstrates its own way of Steppin' Out.

The newly arrived freshmen take their first step into their high school years. So anxious, yet so afraid, they know the years ahead will be the best four years of their entire lives. As we continue to step out, the sophomores are next on our list. They take a big step in a positive direction towards no longer being freshman but not quite juniors yet. As the third year of high school rolls around, it is time for the juniors to step up towards being upperclassmen. This long anticipated dream is much overdue but achieved with great dignity. Life must go on and the time comes for the seniors to step out into the real world. A scary, yet long-awaited step for this year the class of 1987 must make.

The Student Body of St. Joseph High School takes its own, unique, **STEP OUT.**

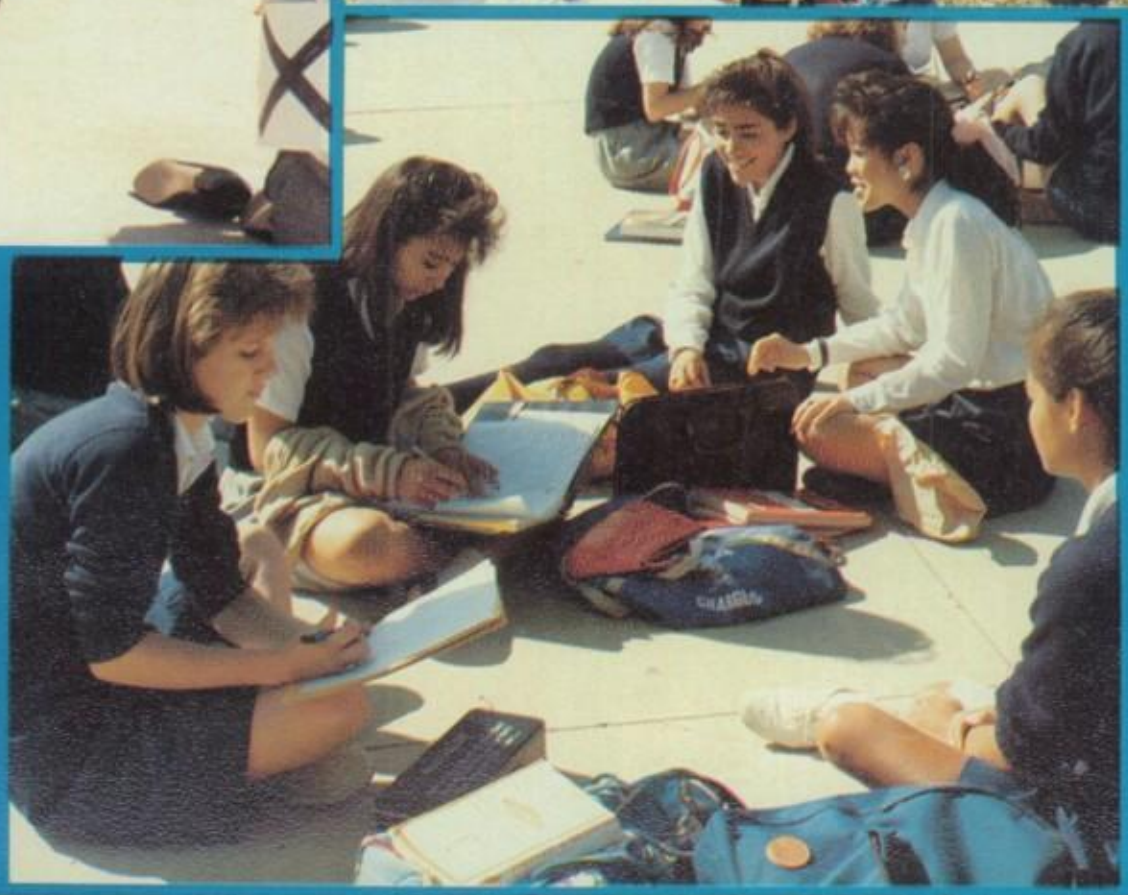
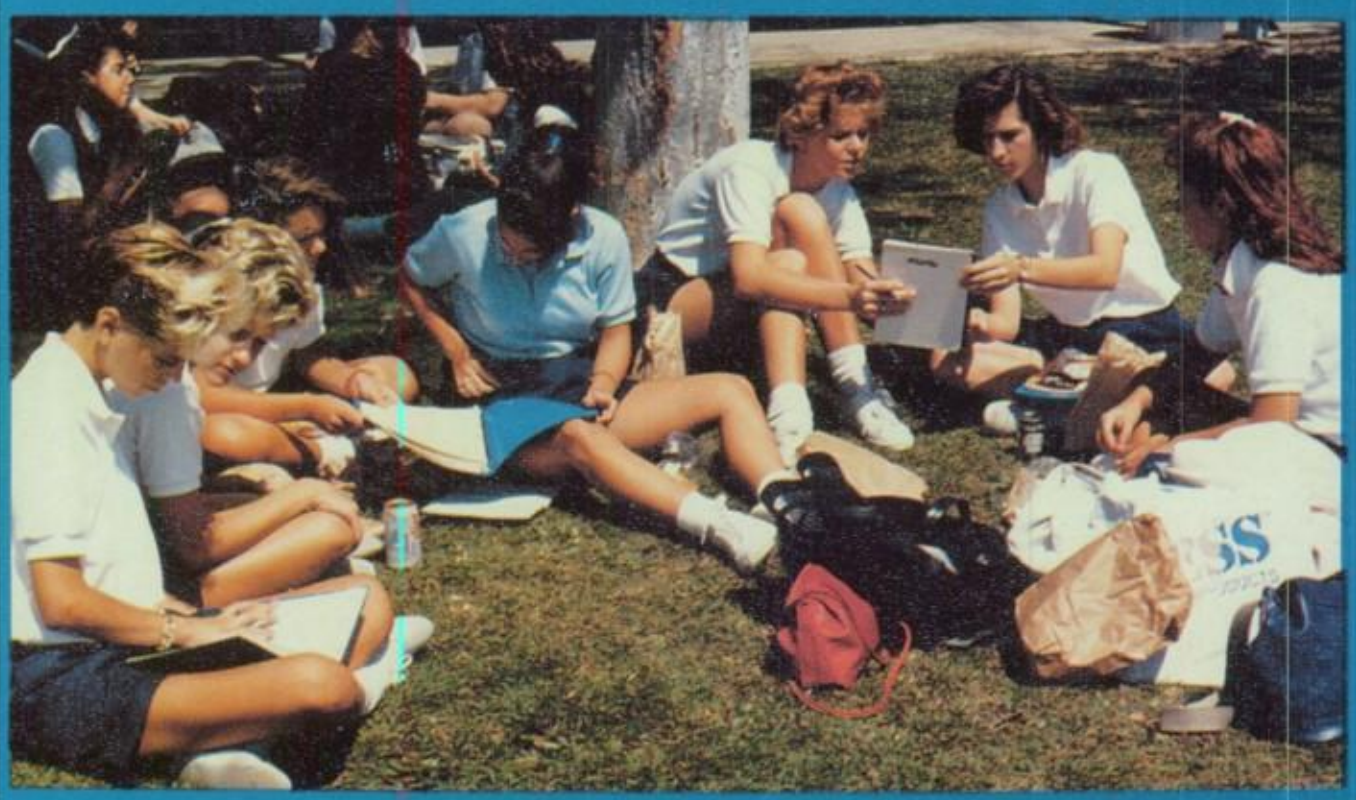
HOMECOMING

STEPPIN' OUT IN STYLE

The Homecoming Football game took place on November 14, 1986. The stands were filled with cheering fans, which made an empty seat hard to find. Numerous fans stood behind Bosco as they became Del Rey League Champions. It was not only an exciting evening for football though. Once half time arrived, nerves began to quiver, and all eagerly awaited the crowning of this year's queen. As the court, cheerleaders, and songleaders circled the field, the moment came closer. St. John Bosco's Band and Tall Flag Team prepared the field for the illustrious five. All were quiet and anxious to know who would be the 1986 Homecoming Queen. The stands were filled with silence, and this glorious honor was given to Candice Robison who was so deserving of it. Her court included senior princesses Cynthia Franco and Wendy Harabedian and junior princesses Kim Arboit and Michelle Santos. Their Bosco escorts included Bill Orr, Douglas Wong, Gilbert Dominguez, Mike Davis, and Ed Chavez. This spectacular evening came to a close as the Braves defeated Alemany 34-28.

On Sunday November 16, the semi-formal dance was held at the Disneyland Hotel in Anaheim. The couples who attended dazzled eyes with their apparel and made this event an evening for Steppin' Out in Style.

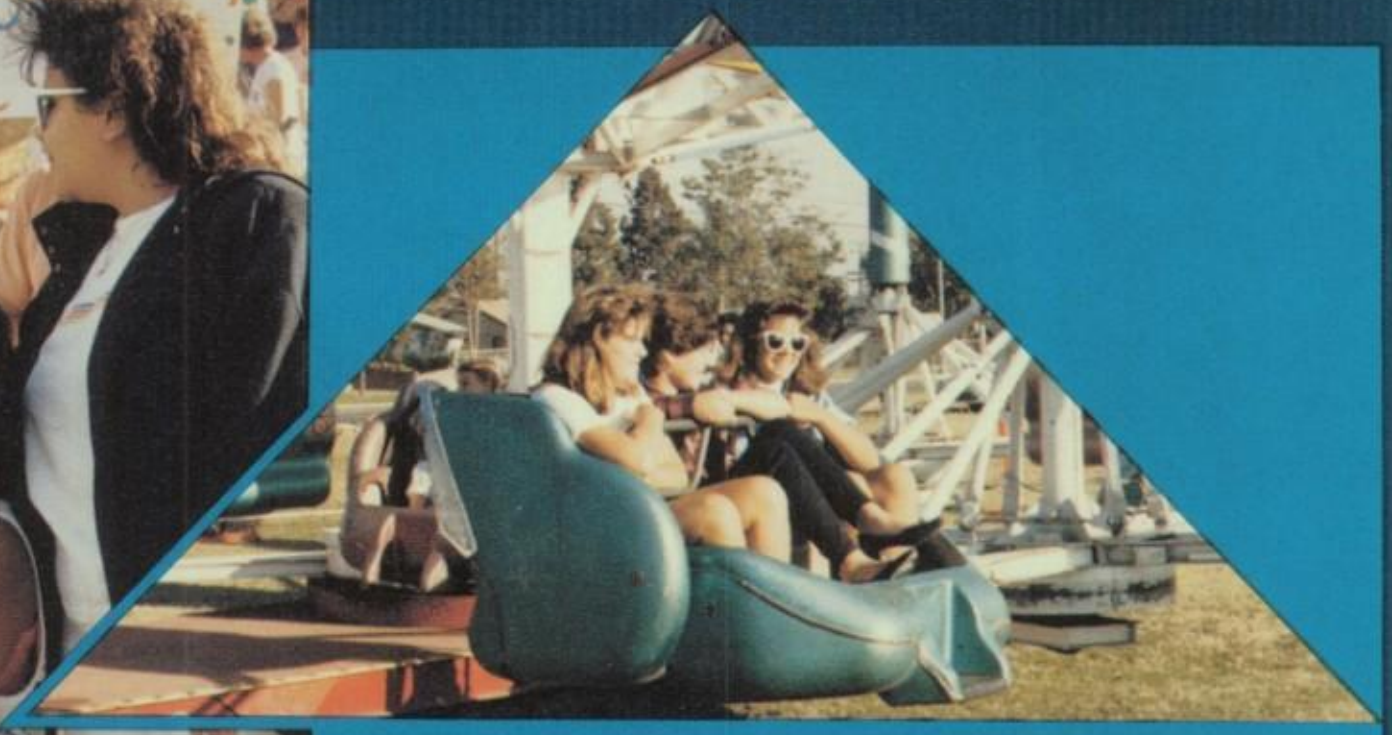




RELAX!

"What?" you ask. "A test tomorrow! That is my fifth one. I can't wait for the weekend." This is a common occurence for most students at St. Joseph's. When we feel like we can't handle the pressure any longer, the weekend arrives and we greet it with a huge smile and sigh of relief. We make plans of how we are going to live it up before another pressure-filled week sneaks up on us unexpectedly. Since we all have different personalities and interests, we make the most of the weekend in a variety of ways. Whether we go to the movies, out dancing, watch t.v. or read a book, it gives us time to enjoy ourselves, our friends and find the meaning of free time. So the next time you feel like becoming a high school dropout, kick off your pennyloafers and STEP OUT!

The Purzycki



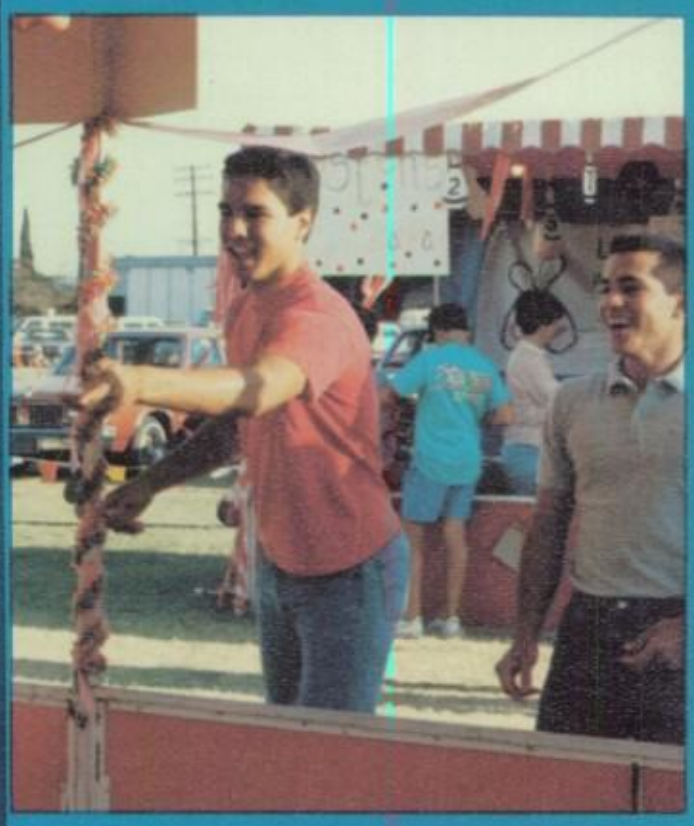
I ♥ CLAS

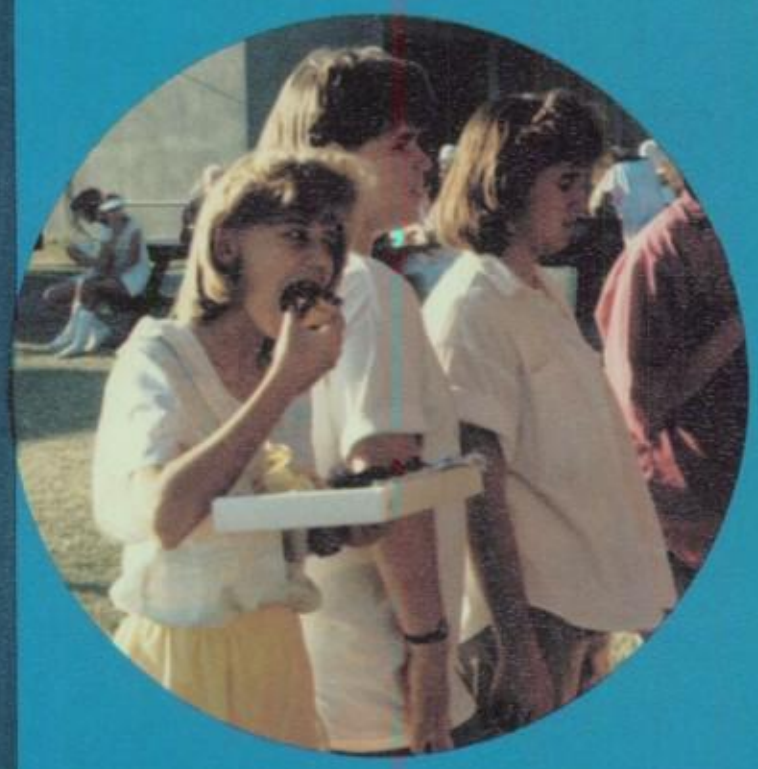
START CLOWNIN' AROUND

An event of major success took place at St. Joseph's on September 19th, 20th and 21st. The fourth annual St. Joseph's Carnival proved to be "the happening" place and was, as usual, a smashing success, due in large part to the involvement of parents, faculty and students.

Friday afternoon was spent decorating booths, which resulted in a lot of laughter and added to the festive carnival atmosphere. Food booths, games and prizes were the scene at this fun-filled event. Friends gathered together and attended the carnival with the usual St. Joseph spirit. People spent quarter after quarter until they reached the end of their patience in hopes of mastering a game and winning a hard-earned prize. After this tiring effort, people devoured delicacies ranging from pizza and burritos to delicious meat on a stick.

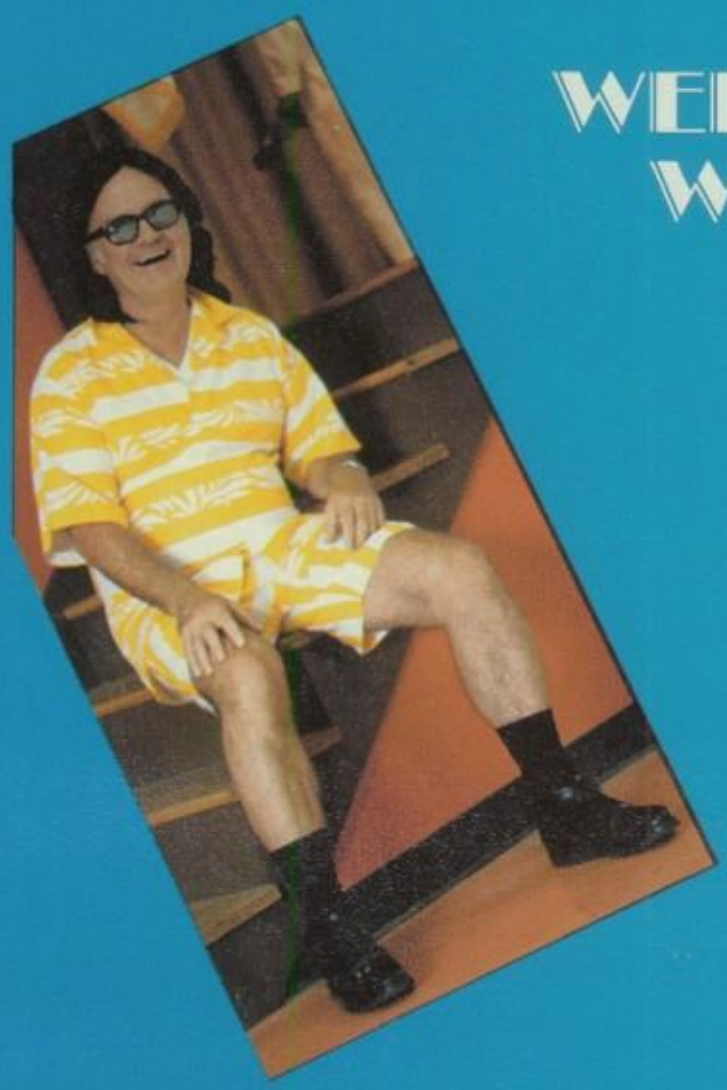
The memories of hitting a favorite teacher with a sponge or winning a goldfish will keep us smiling for a long time to come and increase the anticipation of next year's carnival.





1. Jessica Sziebl and Kristen Ybaben experience a thrill of excitement on "The Octopus."
2. Todd Kessinger tries his luck at winning a stuffed animal.
3. Mary Hazel Orayani and Joselyn Uyan share some laughs and clown around.
4. Sue Pefferman satisfies her growling stomach by eating a scrumptous cake from the Cake Walk Booth.
5. Mrs. Parkins uses her persuasive manner to convince some students to try their luck at her booth.
6. Smiles, laughter and fun go hand in hand.
7. Daisy Dizon takes advantage of her steady hand to win a prize.
8. Miss Keiser is never too busy to take time out to talk with her students.

WELCOME WEEK



STEPPIN' IN

The tradition of Welcome Week didn't end with this year's class. The week began as each Senior received her Frosh buddy, a girl whom she could get to know and help, while taking away some of the fear and uncertainty.

The Frosh found themselves wearing their clothes inside out and backwards, being mobbed by candy-hungry Seniors, dressing as a Sesame Street character, and last but not least, enjoying a relaxing and fun-filled lunch provided by their Senior Sister.

Despite the craziness and embarrassment of Welcome Week, it was a time for Seniors and Frosh to engage in a new and special friendship and for the class of '90 to prove they are A-O.K.

1. Patty Ryan, a frustrated frosh, can't decide which is worse wearing her clothes backward or studying for a test?!
2. Three camera shy frosh try to keep from getting wet.
3. Carla Charpentier uses her "Senior influence" to keep frosh in their place.
4. Five enthusastic and proud freshmen display their class spirit.
5. Karen Walker seizes the opportunity to add candy to her plentiful collection.
6. The "rebellious" Senior Board shows us the do-nots of our uniform.
7. Fr. Henry takes time to laugh while giving us a chance to laugh at him.
8. Our dedicated basketball coach, Mrs. Bos, shares in a round of applause for our talented athletes.
9. Varsity Cheer displays the school spirit St. Joseph is known for.
